

Legend

Phase 1 Projects

- ① Gordon House Road entrance and improved Lido approach and car park.
- ② Improved alignment of pedestrian access route.
- ③a Refurbishment of the Lido café seating area and inclusion of a mini native forest.
- ③b New wetland area providing stormwater attenuation and treatment, comprising shallow swales and small ponds with a diverse mix of flora and fauna. Play on the Way adds an additional layer of interest.
- ④ Existing café refurbished and extended to create a visitor hub and toilets with a new enlarged outdoor seating area.
- ⑤ Dedicated pedestrian access route from Highgate entrance
- ⑥ Renovation of the existing changing rooms to provide an improved community space and a potential new café with a landscaped outdoor seating area.
