- When compared nationally, CoLP Staff Ethnic Minority representation rate is currently ranked second highest among all national forces (excluding BTP) and is sixth highest for Officer representation (excluding BTP).
- The force's Equality & Inclusion Operational Board oversees the work on the NPCC plan. The force continues to use innovative advertising and attraction campaigns, support internal applicants through application writing and interview workshops and use a buddy system where Ethnic Minority officers are supported by a buddy when they join the force.
