THIS IS AN EXTERNAL EMAIL

Dear Sir/Madam,

I am writing to lodge my objection to the application by the University of Chicago Booth School of Business for the following:

1. To permit the sale of alcohol on and off the premises 9am – 3am Monday to Sunday.
2. To provide late night refreshment, 11pm – 3am Monday to Sunday.
3. To permit regulated entertainment, such as, recorded and live music, performance of dance, exhibits of film and provision of plays 9am – 3am Monday to Sunday.

My flat is in the Barts Square development within the same complex. I hate to be a party proper but I cannot see a need for alcohol and loud music to be permitted 9am-3am every day. I understand students like to have drinks and entertainment but this application is overkill. The area is residential and offices. Not a nightclub district. Residents need to go to sleep before 3am. The students can pop to Soho for their fun times. The proximity to the proposed licence site to residential buildings will render it virtually impossible for residents to sleep before 3am (and possibly later depending on the rowdiness of the revellers). The noise will be unbearable. How can we get enough sleep to get to school and work in the morning?

So please please can you reject this application.

Thank you!  
Carmen Chung
