THIS IS AN EXTERNAL EMAIL

Dear Sir or Madam

I refer to the the following application:

Applicant: The University of Chicago Booth School of Business

Premises Address: **One Bartholomew Close, Bart's Square EC1A 7BL**

Application details:

1. To permit the sale of alcohol on and off the premises 9am – 3am Monday to Sunday.
2. To provide late night refreshment, 11pm – 3am Monday to Sunday.
3. To permit regulated entertainment, such as, recorded and live music, performance of dance, exhibits of film and provision of plays 9am – 3am Monday to Sunday.

I am a resident of and owner of an apartment in the Barts Square development, Levett Building, 50 Little Britain, EC1A7BR. I am writing to object to the above-mentioned application.

Granting this license would have very significant consequences for the entire Barts Square development and adjacent areas. The Barts Square development is a premium development whose distinguishing feature is being located in a quiet residential area. Large part of Its value is based on this feature.

Granting this license would create very significant disturbance to the entire development, with noise until very late hours, which will be amplified by the narrowness of the streets of the complex. There will also inevitably be a population of potentially inebriated people walking around the complex at late hours, thereby affecting the safety, the decour and potentially the cleanness of the area.

I would respectfully request that the above-mentioned application be denied to allow residents of Barts Square to benefit from the quiet enjoyment of their properties and prevent the value of their investments from being severely affected.

Kind regards,
Gabriele
