THIS IS AN EXTERNAL EMAIL

To whom it may concern,

I am writing to you to raise an objection to the application for a premises licence by The University of Chicago Booth School of Business.

*In respect of: The University of Chicago Booth School of Business*

*Premises Address: One Bartholomew Close, Bart's Square EC1A 7BL*

*Ward: Farringdon within*

*Application details:*

*To permit the sale of alcohol on and off the premises 9am – 3am Monday to Sunday.*

*To provide late night refreshment, 11pm – 3am Monday to Sunday.*

*To permit regulated entertainment, such as, recorded and live music, performance of dance, exhibits of film and provision of plays 9am – 3am Monday to Sunday.*

As a resident of Bartholomew Close / Barts Square, I wish to object to The University of Chicago Booth School of Business application for a premises licence.

My reasoning for objecting to the application is based on the environment that we wish to protect for our community in EC1A. As residents, business owners, and those passing through as working folks, tourists etc., we keep the neighbourhood a safe and conscientious place to enjoy life within. I believe that this application poses increased social activity, excessive alcohol consumption, and invasive noise, all of which would be permitted to take place in to the evenings, early hours and at the weekends, and as such is not a considerate development for a premises to hold which is situated so close to many homes, a hospital, and places of worship.

Please consider rejecting this application, and instead, permitting the licence for the sale of alcohol and regulated entertainment only, between Monday to Friday, 9am to 6pm.

Kind regards,  
Lucy Lev
