THIS IS AN EXTERNAL EMAIL

Hello

I own a flat in 64 Bartholomew Close (████ Percivall House) and want to make an objection to the University of Chicago request of the following:

1. To permit the sale of alcohol on and off the premises 9am – 3am Monday to Sunday.
2. To provide late night refreshment, 11pm – 3am Monday to Sunday.
3. To permit regulated entertainment, such as, recorded and live music, performance of dance, exhibits of film and provision of plays 9am – 3am Monday to Sunday.

I have a strong objection to the need to sell alcohol at all, and certainly don't understand why it would be needed till 3am. My fear is are they opening a night club?? Will this lead to anti social behaviour? We have had a fatal stabbing on Gresham street around the corner and I fear people drinking alcohol could lead to violence and noise and litter. I am surprised they are even asking for this - to what benefit, how does this have any positive contributions to the city of London and its neighbors?

Hopefully good sense prevails and this application is completely and totally rejected.

Thanks
