

**POLICING PLAN RE-FRESH – EXECUTIVE SUMMARY:**

Page no (Word doc)	Chapter	Update
3	N/A	Chairman’s Foreword will be updated following PAB.
5	N/A	Commissioner’s Foreword will be updated following PAB.
9-10	City of London Police at a Glance	<p>Our Policing Area has been updated to reflect current data: The City of London is one square mile, with around 8,700 residents, and, in a typical year, 587,000 workers per day and over 21 million visitors annually.</p> <p>2022-23 Achievements will be updated once end of year statistics have been obtained. This section has also been updated to include our policing of significant events, such as the Platinum Jubilee and death of HM Queen Elizabeth II.</p>
11-12	Policing in a Changing World	<ul style="list-style-type: none"> <li>- Update of national terrorism threat level which has now been lowered to ‘substantial’ from ‘severe’.</li> <li>- Update to reflect latest Crime Survey results for increases in reported Fraud compared to 2020.</li> <li>- References made to the impact on Policing Protests, Cost of Living Crisis and our arrangements to work in collaboration with the British Transport Police (BTP) and the Metropolitan Police Service (MPS).</li> <li>- Inclusion of ‘Destination City’ and our work with the City of London Corporation (CoLC) to deliver sustainable investment into the future City economy.</li> <li>- Positive impact of our Policing Uplift Programme to enhance our visibility, response to crime and our commitment to neighbourhood policing.</li> </ul>
16	Listening to Our Communities	Enhanced reference to how we deliver our neighbourhood policing model to engage with all members of our communities. Including reassurance that our five community priorities

Appendix 1

		now have dedicated Working groups which are managed through the Safer City Partnership.
19	National to Local	Inclusion of our work to deliver, on a national and local level, the National Police Race Action Plan and continued focus on implementing the national Violence Against Women and Girls Strategy.
24	Overview	Our Operational Priorities narrative now makes reference to the new national framework to apply diversionary activities to appropriate offences.
28-29	Operational Priorities	Some minor changes to narrative which includes references to working within our Safer City Partnership and, in relation to road safety, working with TFL and CoLC. In addition to mention of a continual review regarding our partnership response to policing the changing nature of protests.
31	Operational Priorities	Addition to include our work with Counter Terrorism Policing UK to embed the learning from the Manchester Arena Inquiry.
38-39	Protect the UK from the threat of Fraud and Cybercrime	Update to expand the Cyber Griffin model beyond the square mile.  Additional narrative to include how the National Business Crime Centre (NBCC) supported the policing response for Covid-19 and the death of HM The Queen.  Mention of recognising the new Business Improvement Districts (BIDs) and how this feeds into the Business Crime Reduction Partnership.
45	Our People	Additional reference to improving internal culture and embedding the new 'Our People Inclusivity Programme' to embed a culture of equity and belonging.
47	Our People	Reference added to embedding learning and recommendations from reports, such as Child Q and Operation Hotton.
51	Efficient and Effective Service	Please note that this page will be updated by Finance in February once there has been a near approved end-of-year budget.
53	Efficient and Effective Service	A significant update has been added here to reference our most recent PEEL inspection with the HMICFRS.
59	Working Collaboratively	Reference added to the implementation of the Stakeholder Engagement Plan.
