Keats House Charity

Activities Plan 2023/24

The origins of Keats House Charity date back to the 1920s, when a public appeal raised the money to acquire the house and collections for the public. The charity was registered in March 1996 (no. 1053381) and, since 1 January 1997, has been provided by the City of London Corporation as part of its contribution to the cultural life of London and the nation.

The object of the Keats House Charity is:

‘to preserve and maintain and restore for the education and benefit of the public the land with the buildings known as Keats House as a museum and live memorial to John Keats and as a literary meeting place and centre.’

About Keats House today

Keats House is a Grade I listed Regency villa, which was built between 1814 and 1816. It is open to the public as an Accredited Museum (no. 097) and delivers a programme of exhibitions and events, provides formal and informal learning opportunities for all ages and abilities, as well as supporting volunteer, work, creative, and research placements.

The garden is closely linked to the history of the site and today is an important part of the visitor offer.

Also within the grounds of the property at 10 Keats Grove, stands a Grade II listed building known as Ten Keats Grove. This was first built as the Keats House Museum and Heath Library, which opened in 1931. Today, it functions as a volunteer run library operated by Keats Community Library (registered charity number 1146702), which is registered as an Asset of Community Value by the London Borough of Camden. The Nightingale Room within Ten Keats Grove acts as an events and private hire space managed by Keats House, including its use by KCL as a Children's library and for their own fundraising events.

In 2023/24, Keats House will rebuild and reconfigure its services to ensure it remains accessible, relevant and sustainable following the COVID-19 pandemic and recovery period, which will continue to affect the cultural and tourism sectors for some years.

Following the successful delivery of the #Keats200 bicentenary programme from 2018 – 2021, the period 2023 to 2026 will see Keats House: reveal the lives of people connected with Wentworth Place after Keats's death, including Fanny Brawne and Fanny Keats; support the wider Romanticism 200th anniversaries; reapply for Museum Accreditation; and celebrate the centenary of the opening of the house to the public in May 1925.

Despite the ongoing impacts of the COVID-19 pandemic, this is an exciting opportunity to re-evaluate the significance of Keats and the Romantic poets generally, the ways in which their legacies were preserved, created and reinterpreted, as well as the ongoing significance of these individuals and their poetry to our lives today.
