## PRIORITY 2 Tailor approaches to improve mental health in specific groups

**Objective:** Tailor approaches to improve the mental health of Children and young people and men in the City of London

Action:	Measure/outcome:	Lead partner	Comments:	RAG status
2.1 Provide training to increase knowledge of children and young people's emotional health, self-harm and suicide risk awareness amongst practitioners across a range of settings, in particular <ul style="list-style-type: none"> <li>· school nurses</li> <li>· teachers</li> <li>· clinicians</li> <li>· Social Workers</li> <li>· police</li> <li>· probation staff</li> <li>· school staff</li> <li>· community workers.</li> </ul>	Number of practitioners to have been offered mental health first aid training <ul style="list-style-type: none"> <li>· Number of practitioner to have taken up mental health first aid training</li> </ul>	Public Health	Free training is regularly offered to education professionals and frontline staff through the North East London Sustainability and transformation partnership	Ongoing

2.2 Improve mental health among specific groups through the implementation of the Mental Health Strategy	· Annual progress of the mental health action plan.	Public Health, North East London Clinical Commissioning Group	BAME, LGBTQIA+, SEND, single men in their 40s, people with PD have been some of the cohorts we have focused on	ongoing
2.3 Identify and support children/young people/vulnerable families where children are at risk of emotional and behavioural problems	· Every Looked After Child who needs it has a suicide prevention plan.	City of London Children's Social Care	the City Mental Health alliance has produced this guidance which we are promoting <a href="https://citymha.org.uk/Resources/Parents-Toolkit">https://citymha.org.uk/Resources/Parents-Toolkit</a>	Ongoing
2.4 Help parents to feel competent in protecting their children from harmful suicide-related content online by raising awareness of e-safety education on good practice in creating a safer online environment for children and young people (as compiled by UK Council for Child Internet Safety (UKCCIS))	· E-training module for parents to be disseminated to schools.	City and Hackney Safeguarding Children Partnership	City MH alliance has created this guidance <a href="https://citymha.org.uk/Resources/Parents-Toolkit">https://citymha.org.uk/Resources/Parents-Toolkit</a> which is being promoted the release of the City Safer Schools App is available for parents and continues to be promoted.	Ongoing
2.5 Migrant mental health – Ensure there are services to support migrants and undocumented individuals to	· Enhanced mental health service commissioned for Looked After Children and Care	City of London Children's Social Care	City social care have a Trainee Family Therapy Clinic with Kings College London which is open to any	Ongoing

access mental health services, particularly Care Leavers.	Leavers		child or family known to early help or children's social care, for early intervention. This is well used. City social care also run an Early Intervention Mental Health for UASCs jointly with Coram. This is working to improve gut health and sleep. CHSCP published key messages for practices Work is also being done with afghan and ukrainian refugees	
2.6 Student mental health - ensure HEIs staff are trained and can signpost students	· at least one staff in City HEI campus trained in suicide awareness	Public Health	The city's suicide prevention lead promotes resources, free trainings to HEIs and education settings. The samaritans attend fresher weeks	Ongoing
2.7 Social Prescribing – encourage adopting of the Five to Thrive principles to enhance wellbeing, reduce social isolation, provide peer support , reduce depression and build resilience	· Promotion of CCG lead five to thrive campaign - dissemination of video	North East London Clinical Commissioning Group	FTT website is now redesigned to reach even more people. FTT team promotes Suicide awareness and Mental health literacy trainings regularly as well other wider MH campaigns	Ongoing

<p>2.8 Adapt the Public Health England document ' Identifying and responding to Suicide Clusters and Contagion' so shapes a local response.</p>	<p>Document produced</p>	<p>CHSBC</p>	<p>the first document was completed and circulated to the members of the group but there is now a new one Revised guidance if not already circulated - here: <a href="https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/839621/PH_E_Suicide_Cluster_Guide.pdf">https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/839621/PH_E_Suicide_Cluster_Guide.pdf</a> Operationally, there is confidence that contagion / cluster is being considered as part of Joint Agency response meetings under new child death review arrangements - guidance is being used in this context</p>	<p>Completed</p>
---	--------------------------	--------------	---	------------------

## PRIORITY 3 Reduce access to the means of suicide

**Objective:** Reduce the opportunities people have to complete suicide in the City of London

Action:	Measure/outcome:	Lead partner	Comments:	RAG status
3.1 Include suicide risk in health and safety considerations by local authority planning departments and Environmental Health Officers and developers	<ul style="list-style-type: none"> <li>· Suicide considerations in standard risk assessment/health and safety tick box template.</li> <li>· Suicide considered in Health Impact Assessments</li> </ul>	CoL Planning and Port Health and public protection	<p>Suicide prevention and application of the Planning Advice Note is a standing item for pre-application discussions on development schemes and is also included in all committee and delegated reports as necessary.</p> <p>The planning guidance on how to mitigate suicide risk in high places has been approved and published, PH and EHOs have delivered training to planning officers, PH offers advice on a regular basis to developers and architects, PH is sharing learnings at various national and pan london suicide</p>	Ongoing

			prevention groups/webinars/ conference because other areas are seeking to implement something similar	
3.2 Engage with Transport For London, the British Transport Police and network rail to identify opportunities for further prevention of suicide at their locations	· Relationship to be built between City of London public health and TFL/BTP/network rail	Public Health, North East London Clinical Commissioning Group	BME, LGBTQIA+, single men in their 40s, people with PD have been some of the cohorts we have focused on	ongoing
3.2.1 Evaluate 'The London Bridge Pilot' to reduce suicide and attempted suicide at this location	Evaluation produced	Public health	Evaluation finalised in 2019	Completed
3.3 Work with the Samaritans, East London Foundation Trust (ELFT) and City and Hackney Mind to develop a sustainable model of suicide prevention developed as part of the Bridge Pilot to City of London Workers	· Number of people trained · Examples where training has been used to good effect.	CoL P Public Health	The mental health street triage service, operated by ELFT MH clinicians, is still operating in the square mile (its hours of operations were expanded in July 2021 for 12 months and an evaluation of the service has found that it saves a lot of money at the system level by reducing s136), the bridge watch program should be mobilised by winter 2023	Ongoing

			and CoL has commissioned a feasibility study of the bridges that is still going through governance. Samaritans are still delivering Business Health suicide awareness training to workers near the river + there is new training being developed by thames reach academy supported by the tidal thames water safety forum	
3.4 install and maintain cameras on City of London Bridges to allow fast identification of which Bridge a person is on if they call, with monitoring at high risk times.	· Cameras on bridges that are monitored by the CoLp control room, coast guards should have access for search and rescue	One Safe City/ Secure City CoLp	May 2023 - the project to install new high definition cameras on the City of London Bridges is well underway. London and Millennium Bridge cameras are implemented and footage is available on the test video management system on a limited basis, with the full new system being implemented this summer with full deployment expected by the autumn, dependent on the innovative IT environment. Camera and enabling telecommunications installation is in progress for upgrading the CoLP cameras	Amber

			on Tower Bridge and will start shortly on Southwark and Blackfriars Bridges.	
3.5 mobilise bridge watch programme patrols	volunteers patrolling the 5 BHE owned bridges 24/7	Ascension Trust, CoL Police, RNLI, PLA, PH	Bridge Watch has finally managed to recruit a programme lead, recruitment of the volunteers is starting and we are hoping to mobilise before the end of 2023	Ongoing
3.6 Put RNLI signs on embankments to contain the message 'dial 999 and ask for the Coastguard'.	Signs on embankment	RNLI and PH	Signs are up	Complete
3.6.1 maintain the signage on the lifebuoys on the City of London Bridges to contain the message 'dial 999 and ask for the Coastguard'	Signs are maintained	RNLI , PLA City of London Built environment		Ongoing
3.7 Work with the London Borough of Tower Hamlets and the London Borough of Southwark to get permission to place Samaritans signs on Tower and Southwark Bridges	Signs on Tower and Southwark bridges.	Public health	Signs are up	Complete

3.8 Implement the vulnerable People And Bridges Security Project within the Secure City Programme.	bridges are monitored 24/7 and intervention is faster and easier	CoL Police and CoL	trials of several solutions took place in the RNLI pool in January and in situ in March, once evaluated commissioning of solutions will start	Ongoing
3.9 Share suicide awareness and prevention guidance with the relevant stakeholders	· guidance is shared as widely as possible and general confidence in engaging someone in crisis grows	All	Public health is sharing guidance with developers, construction companies, licensed premises, city licensing annually visits the ten premises along the waterfront and shares PLA's updated guidance on safety equipment, suicide prevention leaflets; CoLp is engaging with the business crime prevention partnership (50 premises)	Ongoing
3.10 Continue to engage with the Tidal Thames water safety forum and input into the action plan of the Tidal Thames: drowning prevention strategy	Partners share knowledge and learning about safety on the Thames as well as data of incidents along the river	RNLI, PLA, community safety, port health, public health City of London Built environment	PH attends all meetings of the TTWSF, currently Thames Reach Academy is developing a training for people working along and on the river with the listening place, PH has given feedback and CoLp will attend the pilot training on June 8th to give their view of it	Ongoing

3.11 commission a feasibility study of physical measures on the bridges	final answer on what physical measures can be implemented on the 5 city bridges	PH, BHE, Town clerk, Paul Monaghan (chief engineer), Ian Hughes (SCP), Peter Shadbolt (planning)	The public protection study was finished in december 2022. It went through governance early 2023 then The committee chairs decided on may 10th to pause the governance on the public protection study until we have a strategic plan after a multi agency suicide prevention summit takes place in the fall of 2023	Amber
3.12 Adapting the upcoming national highways software on location risk assessment for tall buildings and urban structures.	software or risk assessment framework for urban structure	PH, planning, national highway	the PH suicide prevention officer has met with national highways about their upcoming software, it is not completed yet thus cannot yet be adapted to urban structure just yet	Amber

## PRIORITY 4 Those who are bereaved or affected by suicide to feel informed and supported throughout their experience

**Objective:** Those who are bereaved or affected by suicide to feel informed and supported throughout their experience

Action:	Measure/outcome:	Lead partner	Comments:	RAG status
4.1.1 Provide training and resources for primary care staff to raise awareness of the vulnerability and support needs of family members when someone takes their own life	<ul style="list-style-type: none"> <li>Number of primary care staff who have received training</li> </ul>	CCG City of London Coroner	Primary care staff is regularly trained (training with MIND planned for 21/11/23) + Thrive LDN is commissioning some training for GPs	Ongoing
4.1.2 Engage city businesses to identify best practice regarding the mental health of its employees and promote it – particularly to those that have already experienced a suicide in their workforce.	<ul style="list-style-type: none"> <li>Follow up with businesses who have undergone training</li> <li>Promote the suicide prevention agenda within City business groupings such as the City Mental Health Alliance and “This Is Me – In the City” (Lord Mayor’s Appeal)</li> </ul>	CoL Health and Safety Business Healthy	May 2023 lord mayor appeal update : This is Me Spring event held on 19 April attended by over 70 individuals. Amplifying conversations around workplace wellbeing during MHAW. Contributions from our corporate partners and other businesses our network on socials. Supported MHAW events by sourcing speakers from our charity partners and This is	ongoing

			<p>Me networks. Over 26,000 green ribbons distributed since the start of 2023. News stories on wellbeing activities through This is Me are also available on our website: News And Events   Latest News   The Lord Mayor's Appeal 2022/2023 (thelordmayorsappeal.org) This is Me hub updated with new resources Next in person event in planning stages to be held in October to coincide with World Mental Health Day.</p>	
<p>4.1.3 Risks to be assessed by the City Corporations Environment health officers following on from any suicides in public/the workplace and any preventative /remedial measures are identified for action</p>	<p>Number of risk assessments being undertaken by the CoL Health and Safety team following suicides in City of London businesses (should be systematic/coincide with completion data)</p>	<p>CoL planning, PH, CoLp</p>	<p>PH and Planning have developed a planning guidance that can be used before or after the design stage, this guidance can be helpful to rooftop bars/terraces which have had incidents before. CoL p also has a designing out crime officers who can give advice on suicide risk mitigation in businesses. As per the newly approved suicide completion response protocol, CoLp notices EHOs of any completion in a business and EHOs (supported by PH) offer</p>	<p>Ongoing</p>

			advice on risk mitigation and training in suicide awareness.	
4.2 Provide accessible, concise information on the processes and standards in a Coroner's inquiry to family members	Number of bereaved families given information (should be systematic/coincide with completion data)	The Coroner	This is standard procedure by coroner's office. This is ongoing on a separate action log. the "new" standard of proof for suicide, has led to less open verdicts because it is more clear cut, it gives families more clarity and make dealing with families more straightforward and it will be good for the next suicide audit.	Ongoing
4.3 Provide bereaved families with an explanation of policies on investigation of patient suicides, opportunity to be involved and information on any actions taken as a result. Refer families to City of London bereavement services web pages	· Proportion of families who are referred to bereavement services (should be systematic/coincide with completion data)	CoLp	CoLp Family Liaison Officer should advise them to what is available to them, the FLO's would do their own research and find specific contacts for them to use.	Ongoing
4.4 Offer those bereaved as a result of suicide	· Number of people offered bereavement	CoLP and coroner	Information on bereavement services is offered by CoLp	Ongoing

signposting to bereavement services	support (should be systematic/coincide with completion data)		systematically, it is also available on various websites (CoL, North East London Integrated Care Board)	
4.5 contact funeral parlours in the city/used by city residents to ensure they are aware of bereavement services for those affected by suicide	number of funeral parlours aware of the bereavement services .	Public health	The suicide prevention lead has compiled a list of the funeral parlours (fenix funeral) but still needs get in touch with them, delayed by covid and the work on the bridges	amber
4.6 promote training around bereavement	number of people the training is being promoted to	PH	promotion of NEL training as well as cruse offer takes place regularly	ongoing
4.7 Bereavement support for children who have lost a parent or carer	Number of people utilising CYP bereavement services	NEL ICB	The children and young people's bereavement service at St Joseph's hospice is now accepting referrals for young people who have lost a parent, carer or significant person in their life due to a bereavement of any kind (this was previously covid-related bereavements only).	ongoing

4.8 Create and send the bereavement support pack to stakeholders, residents and partners	bereavement pack sent to city VCS and partners	PH	The pack is finalised, it contains a bereavement video from LBH, bereavement leaflets (60 copies have already been sent to LBH VCS)	complete
4.9 Promote Public Health England 'Help Is At Hand' document to key partners and make available in City libraries	· Help is at hand document readily available in libraries.	PH and libraries	Help is at hand has been distributed to libraries	complete

## PRIORITY 5 Support the media in delivering sensitive approaches to suicide and suicidal behaviour

**Objective:** The media to report on suicide and suicide behaviour sensitively, taking into account guidance and support from other stakeholders

Action:	Measure/outcome:	Lead partner	Comments:	RAG status
5.1 Ensure that local/regional newspapers and other media outlets: <ul style="list-style-type: none"> <li>· provide information about sources of support and helplines when reporting suicide</li> <li>· avoid insensitive and inappropriate graphic illustrations with media reports of suicide</li> <li>· avoid use of photographs taken from social networking sites without relative consent</li> <li>· avoid the re-publication of photographs of people who have died by suicide</li> <li>· report appropriately where there is evidence of a cluster</li> </ul>	<ul style="list-style-type: none"> <li>· All suicides reported on in a sensitive and appropriate way</li> </ul>	City of London Corporation and CoLP media Teams Samaritans media team	The media guidelines have been shared. Media outlets don't always follow them but the CoLP and COLC media teams follow up with them when they don't. In feb 2022 we developed a briefing for media enquiry around the feasibility study of physical measures on the bridges in case any media outlet notices the tender and asks questions + are preparing proactive comms ahead of the usual spring increase in incidents	<b>Ongoing</b>

5.2 Challenge, where possible, the publication of harmful or inappropriate material with reference to the updated laws on promoting suicide	Evidence of challenge of harmful or inappropriate material	CoL	We have offered our support to the samaritans and NSPA in their campaign to have some sections of the online harm bill to be modified. CoL Suicide prevention lead officer has met with Hull university to help in their research project of unhelpful online content when it comes to suicide prevention PH SP officers keeps engaging with organizations who challenge harmful content	ongoing
5.3 Promote the samaritans communication toolkit to encourage the use of positive appropriate language in all communications and during purdah	change in language, successfully, commit, are no longer widely used	All	use of appropriate language and terminology is important when discussing suicide. All partners should avoid using outdated terms, but are also asked to demonstrate kindness if colleagues misspeak - we are all working to become better people and professionals.	Ongoing
5.4 notify the samaritans and NSPA about harmful media content for them to follow up on	number of reports to NSPA and samaritans	PH and All	this is ongoing, every time there is inappropriate comms, the suicide prevention lead officer notifies the samaritans media team and the NSPA	Ongoing

5.5 Share the 'Samaritans' Media Guidelines for Reporting Suicide with City Corporation, City Police and NHS media teams and ensure that they are aware of the sensitive nature of suicides	<ul style="list-style-type: none"> <li>Number of organisations aware of the Samaritans media guidelines</li> </ul>	The samaritans	The guidelines have been shared and continue to be shared regularly	Complete
5.6 Promote Business in the Community's "suicide post-vention toolkit for employers" to the Business Healthy network	<ul style="list-style-type: none"> <li>Posts on the Business Healthy website/ newsletter/ social media (World Suicide Prevention day - 10 September)</li> <li>Include as a resource in training packs</li> </ul>	CoLP and coroner	shared and continue to be shared regularly	complete
5.7 develop a guidance for the events team to consider the risks of putting on events on the subject of suicides	guidance produced and adopted by the relevant committee	PH, CoL events teams	the PH suicide prevention officer has gone to an events team quarterly meeting to propose the idea of a suicide guidance on events and this was received enthusiastically	Green

## PRIORITY 6 Support Research, data collection and monitoring

**Objective:** TA comprehensive database of suicide in the city of london and the whole of london to be built

---

Action:	Measure/outcome:	Lead partner	Comments:	RAG status
6.1 Share local, national and international data and research on suicide prevention and effective interventions, and identify gaps in current knowledge	Shared with relevant partners	All	The suicide prevention lead officer regularly shares data with partners; regularly presents at conferences, webinars, forum to share learnings. We are also always thriving to improve our data collection and that of partners.	ongoing

6.2 Work with the local Coroner in order to aid accurate data collection and aid the development of targeted suicide prevention strategies	· Joined up working and information sharing between the coroner and public health	Coroner, port health, public protection	the coroner has shared data with PH to be included in the suicide audit of 2017-2022, the coroner and PH SP lead met in June 2023 and are sharing information	ongoing
6.3 work with NHS England on the Child Protection Information System CP-IS	health alert system includes details of children in care or subject to cp plans.	CHSCP	Awaiting update on timeline from NHSE	Ongoing
6.4 Join and contribute to the Thrive London Real Time Surveillance System (pan london suicide data base)	input into the database and use it to inform intervention	Thrive LDN, CoLp and PH	The City of London has joined the Thrive LDN real time surveillance database, this innovative suicide surveillance system is designed for use by multi-agency group, allowing councils, police, mental health services, suicide prevention groups to share real time surveillance data and coordinate responses. The system is innovative as it uses a report from the police force of a potential suicide as the basis for reporting, as oposed to coroner decision of confirmed suicide. This allows a timeframe of days following the incident for information to be added and	Ongoing

			<p>action to be taken as opposed to months after. access is tailored by both residence of deceased and location of death.</p> <p>Thrive is now working on a self harm database as well as recording suicide attempts and contemplation, this involves a lot of work in terms of agreeing on definitions across all organizations involved</p>	
6.5 CoLp to share real time surveillance data with UCL in order for them to analyze the patterns of movement and why people come to the square mile to attempt suicide	study with recommendation produced	CoLp	We have received a draft of the report from UCL end of july 2023	Ongoing
6.6 Resolve issues with receiving feedback from hospitals regarding the outcome of the mental health assessments after S136. The City Police Suicide Profile of 2020 recommends that "an Information Sharing Agreement with the NHS should be established so	information sharing agreement with NHS in place	CoLP and NHS	information management team in Force is checking if CoLp can have that information under the DPA	amber

that requests can be submitted to hospitals which request the outcome of assessment for any individual taken to hospital. This should be completed for every individual that attempts suicide; to ensure that all risk information is shared and appropriate safeguarding measures completed.”				
6.7 Routinely collect data on attempted suicide in the City from Section 136 booklets	· S136 data to be collected by the City of London Police and shared with public health		colp has given access to NICHE to theMHST clinicians and are working on improving data discrepancy between the CoLp data and the MHST data	green
6.8 Develop an overarching data sharing agreement to allow the sharing of personal level suicide data between partners including the London Ambulance Service, British Transport Police, City of London Police and the City Corporation.	· Data sharing agreement in place and signed by all partners	CoL	After consulting legal, it has been established that the safer city data sharing agreement is applicable to suicide prevention because it mentions the care act. there is thus no need to create a new data sharing agreement.	complete
6.9 Develop the mechanisms	· Evaluation of ‘the	PH	See action 3.3 the Mental	complete

for evaluating local suicide prevention work	Bridge Pilot'		health street triage was evaluated in early 2022 and was found to avert costs at the system level by reducing incarceration under s136 of the MH act, the service has paid for itself and potentially prevented 21 suicides	
6.10 Produce an enhance suicide prevention report	enhanced suicide report produced and shared	senior corporate affairs officer and all	work on the report has started, a first draft is expect by august 18th	green
6.11 Organize a city suicide prevention conference to showcase our work and share good practice and learnings with partners and stakeholders	conference organised and learning shared	senior corporate affairs officer, town clerk and PH	the conference is set to occur on october 26th at the guildhall, the programme for the morning is finalised, we are still finalising the afternoon workshops	Green
