

## **Appendix B- Issues raised by IASG and CoLP's response to these concerns.**

1. *The Stop & Search records and Use of Force forms sent irregularly for review. There is a continuing absence of feedback to the comments provided.*

Local Policing have appointed a Chief Inspector to liaise with the IASG following their sampling of stop and search and use of force records. This will include commenting on the feedback provided by the IASG and updating on what has been fed back to searching officers.

2. *There is no regular misconduct update.*

Director of Professional Standards attended September's IASG meeting to provide an overview on misconduct through a PSD lens. An overview of CoLP's current misconduct investigations was provided, as well as a breakdown of the reasons for these. The misconduct process was explained, the reasoning behind lead in times, and the duality between legal and police misconduct proceedings.

3. *The question of BWV review remains outstanding.*

The method by which the group review BWV was raised at September's IASG meeting. It was agreed that Superintendent Local Policing and T/Chief Superintendent Professionalism and Trust would meet with the IASG Executive Committee to agree upon necessary process. Members of the group are currently required to attend Bishopsgate in person as there is no capability currently to share footage on a shared screen online. Legal aspects of this must also be considered.

4. *The Use of Force record in respect of taser drawn against the 'Frauditors' has been outstanding since the 20<sup>th</sup> of June.*

The IASG has indicated in their submission for this report, that they have now received the provision of Use of Force material relating to this incident and comments have been provided to CoLP by email.

5. *Timely vetting of IASG members, , continues to impair the effectiveness of the group.*

This is being actively addressed by the IASG SPOC who has reached out to individual members for further information and documentation to proceed with their vetting applications. Direction has been given that local vetting checks for IASG members are to be completed as priority applications now by the vetting unit.
