

Report – Chairman of the Planning and Transportation Committee

Achievement

To be presented on Thursday, 11th January 2024

*To the Right Honourable The Lord Mayor, Aldermen and Commons
of the City of London in Common Council assembled.*

“I wish to draw Members’ attention to the following achievements of the Environment Department.

National Transport Awards - Winner of the Best Practice in Diversity, Inclusivity and Accessibility category - City of London Streets Accessibility Tool

CiTTi Awards - Winner of the Transport Accessibility Award – City of London Streets Accessibility Tool

The City of London Street Accessibility Tool (CoLSAT) enables street designers to easily identify how street features impact on the different needs of disabled people.

The tool's key feature recognises that the needs of different groups of disabled people can be contradictory; that improving accessibility for one group may decrease accessibility for another. CoLSAT identifies the trade-offs that may be needed to ensure no one is excluded from using the City's streets and provides the basis for engagement and discussion to maximise the benefits for all.

The award winning tool is freely available on the City of London Corporation’s website at [City of London Street Accessibility Tool - City of London](#)

I commend these achievements to the Court.”

DATED this 20th December 2023.

SIGNED on behalf of the Committee.

Deputy Shравan Joshi, MBE
Chairman, Planning and Transportation Committee
