# **Corporate Strategy, Performance & EDI Team**

Driving an integrated, professional and insight-led approach to strategy, planning, risk management and change and EDI

Fostering collaborative, partnership approaches in delivery and ensuring that dependencies are recognised and communicated Using data to enable evidence-led decision making and

Ensuring risk management is utilised in every aspect of the organisation to drive efficiency, innovation and effectiveness in its overall decision-making process.

Striving to enhance the Corporation, its departments and Institutions' EDI maturity. Ensuring equity for staff, residents, service users, and business outcomes, while serving as the central authority on all EDI-related matters

Work began on risk appetite review.

business plans with Corporate Plan 2024-29.

What's changed since last year (FY2023/24):

#### • Corporate Plan 2024-29 design, development and consultation (internal and external) completed.

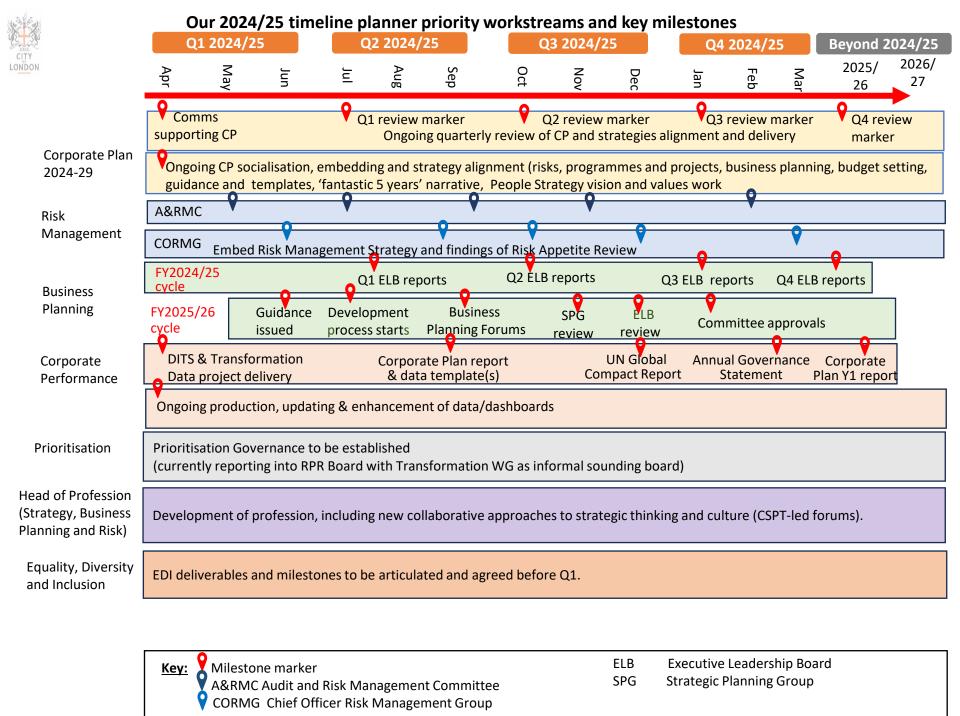

• City Corporation risk management Chief Officer Risk Management Group (CORMG) focus on thematic risks & how these are identified/collectively addressed cross-corporation to ensure an agile risk approach. CSPT risk roles revised, with the portfolio split between four posts to better align risk with achieving successful strategic outcomes. Electronic risk registers updated to

reflect Target Operating Model (TOM) changes and portals created for various Heads of Profession to counter silo working.

- Departmental Business Planning strengthened through collaborative officer forums and Executive Leadership Board oversight. Increased focus on identifying synergies, opportunities and dependencies, insight on medium term plans and workforce planning alongside finance informed development of future CoLC priorities. Future Priority: aligning 5-year departmental
- Performance and Analysis provided across the City Corporation enabling teams to identify relevant performance data to baseline and monitor, growing their capability. Cross-cutting performance data identified, dashboards and tools developed including the City Intelligence Dashboard, implementation of audit recommendations, completion of mandatory training and operational property data.
- The Equality, Diversity, and Inclusion (EDI) team and portfolio was incorporated into the CSPT team in November 2023. Work
- to rationalise, reprioritise and incorporate and align workstreams initiated. Interim EDI Director recruited. • Lead for Resources and Priorities Refresh was transferred to the Transformation Team (CSO still Chief Officer sponsor). The
