Action	Officer responsible	To be completed/ progressed to next stage	Notes/Progress to date
<p><b>Rose Alley - (Item arising from 12 September 2012 Committee meeting)</b></p> <ol style="list-style-type: none"> <li>1. Monitor the cleanliness of Rose Alley and organise a walk about for Members to go to the site.</li> <li>2. Cleanliness of the air from cooking equipment filters which backed on to the Rose Alley - the Director to speak to colleagues in Environmental Health to try and address this problem.</li> <li>3. A pair of ladders, property of a window cleaner, which had been chained to one of the buildings to be investigated.</li> </ol>	<p>Transportation &amp; Public Realm Director, Built Environment</p>	<p>A tour of Bishopsgate including Rose Alley took place on <b>Wednesday 6<sup>th</sup> February</b> from <b>1400:1530</b>.</p>	<p>All food businesses using the alley were visited by an Environmental Health Officer and advised about their responsibilities for storing and ensuring the correct disposal of their own refuse and that they should seek to minimize the time it is left in the alleyway prior to collection.</p> <p>Cleansing's Street Environment Officers issued all businesses there with either Section 47 or Section 34 notices under the Environmental Protection Act 1990 to correctly dispose of their waste in future and had the alley power washed but the nature of the surface (Tar- Mac) still leaves some staining.</p> <p>Rose Alley is on the Anti-Social Behaviour Team's list to visit as it suffers from anti-social behaviour and regular rough sleeper occupancy.</p> <p>Officers from the various</p>
