Subject: Patch application to extend its opening hours

THIS IS AN EXTERNAL EMAIL

Dear Sirs,

I live at Carter Lane EC4V 5EP on the same Lane as Patch. I object to their current application to extend their licensing hours on the prevention of public nuisance ground. There is considerable noise from patrons as they leave Patch at or before midnight on a regular basis. Were the closing time even later, the disruption would disrupt sleep in the early hours of the morning

Regards,
Angela Dunmore
