- a. Paragraph 16.6 - As a result of deregulatory changes that have amended the 2003 Act, no licence permission is required for the following activities:

**Live music:** when a performance of unamplified live music takes place between 08.00 and 23.00 on any day, on any premises. When a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500, and alcohol is available for sale for consumption on those premises in accordance with the existing premises licence.

**Recorded music:** any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500, and alcohol is available for sale for consumption on those premises in accordance with the existing premises licence.

- b. Paragraph 16.36 – Any conditions added on a determination of an application for a premises licence, which relate to live music or recorded music, are suspended between the hours of 08.00 and 23.00 on the same day where the following conditions are met:

Any conditions added on the determination of this application for a premises licence which relate to live or recorded music will remain in place but are suspended before 23:00 hours when the criteria in paragraph 3.2 are met.

#### **4. Representations**

##### **Representations from Responsible Authorities**

- 4.1 There are 2 representations received from responsible authorities, namely the City of London Environmental Health Pollution Team, and the City of London Planning Team. These representations can be seen in full as Appendix 2 (i) and 2 (ii).

##### **Representations from Other Persons**

- 4.2 There are 33 representations from other persons, including 8 from elected members of the City of London. All but one of these representations seek for the application to be either rejected or amended, on the basis that granting the licence as applied for would undermine the licensing objective of the prevention of public nuisance. Some also suggest an adverse impact on the licensing objectives of the prevention of crime and disorder and public safety. Appendix 2 (xviii) details a representation in favour of granting the application as applied for.
- 4.3 These representations can be seen in full as Appendix 2 (iii) – 2 (xxxiv).

#### **5 Conditions**

##### **Conditions drawn from the Operating Schedule**

- 5.1 The operating schedule submitted with the applications suggests steps intended to be taken to promote one or more of the four licensing objectives. Conditions that are consistent with the steps described in the operating schedule and appropriate for the promotion of the licensing objectives can be included on the premises licence. A summary of such conditions is attached as Appendix 3. Where the condition has a similar effect as one from the Corporation's pool of model conditions, this has been indicated in the summary.

## **Conditions agreed with Responsible Authorities**

- 5.2 The City of London Police specified in their response that with the inclusion of proposed conditions 1-3 as shown in Appendix 3 they have no representations to make.

## **6 Licensing/Planning History and Planning response**

- 6.1 The premises has been occupied previously by HSBC retail bank (Class A2/Class E) between 2008 and 2021.
- 6.2 By virtue of The Town and Country Planning (Use Classes) (Amendment) (England) Regulations 2020, any reference to Class A2 above should now be read as Class E (Commercial, Business and Service) uses.
- 6.3 The planning officer is of the view that the permitted use of the area to which this premises licence application applies is Class E (Commercial, Business and Service) use. To be in accordance with the permitted use of the premises, other activities, such as the consumption of alcohol on the premises, can only be undertaken on site if they are ancillary to the primary use. Any activity not ancillary to the primary use may constitute a material change of use requiring planning permission.
- 6.4 The planning officer states that from the limited documentation it is not clear that the operation of the site would fall entirely within the permitted (Class E) use of the premises.
- 6.5 Upon the planning officer's recommendation, the applicant was advised to submit a detailed business/operation plan to the Planning Team for consideration before implementing the use.

## **7 Map and Plans**

- 7.1 A map showing the location of the premises, and a table detailing terminal hour for alcohol sales and late-night refreshment, are attached as Appendix 4.
- 7.2 The plan of the premises can be seen as Appendix 5.

## **8 Policy Considerations**

8.1 In carrying out its licensing functions, the Licensing Authority must have regard to its statement of licensing policy and any statutory guidance issued under s 182 of the Licensing Act 2003.

### ***City of London Corporation's Statement of Licensing Policy (2022)***

8.2 The following pages/sections/paragraphs of the City of London Corporation's Statement of Licensing Policy are particularly applicable to this application.

Pages 15-17 address the licensing objective 'The prevention of crime and disorder' and pages 22-25 address the licensing objective 'The prevention of public nuisance'.

Paragraph 92 states the need to strike a fair balance between the benefits to a community of a licensed venue, and the risk of disturbance to local residents and workers.

Paragraph 92 also states an overriding policy principle namely, that each application will be determined on its individual merits.

Certain aspects of paragraphs 97 – 99 are relevant as they address the need of care when controlling noise from those persons leaving a premises – which can apply equally to staff at the premises.

Paragraph 104 considers various factors that should be taken into account when considering whether any licensable activity should be permitted.

Paragraphs 138-144 (Section 13) state the City of London Corporation's policy on setting conditions which may be applicable dependant on the step(s) taken by members as stated in paragraph nine of this report.

### ***Statutory Guidance***

8.3 The following sections/paragraphs of the statutory guidance issued under S182 of the Licensing Act 2003 are particularly applicable to this application (revised December 2022):

Chapter 2 of the guidance covers the four licensing objectives. In particular, paragraph 2.20 states that it is, '*...important that in considering the promotion of [the public nuisance licensing objective, licensing authorities] focus on the effect of the licensable activities at the specific premises on persons living and working (including those*

*carrying on business) in the area around the premises which may be disproportionate and unreasonable.’ Also, paragraph 2.21 indicates that the prevention of public nuisance could, in appropriate circumstances include, ‘the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises.’*

Chapter 10 refers to conditions attached to premises licences with paragraph 10.10 stating that, ‘*Conditions should be determined on a case-by-case basis and standardised conditions which ignore these individual aspects should be avoided.*’ To which is added; ‘*Licensing authorities should therefore ensure that any conditions they impose are only those which are appropriate for the promotion of the licensing objectives.*’

## **9 Summary**

9.1 The Licensing Authority has a duty under the Licensing Act 2003 to promote the licensing objectives. Each objective has equal importance. In carrying out its licensing functions, the licensing authority must also have regard to its Statement of Licensing Policy, any statutory guidance under the Licensing Act 2003 and is bound by the Human Rights Act 1998. The City of London Corporation must also fulfil its obligations under section 17 of the Crime and Disorder Act 1998 to do all that it reasonably can to prevent crime and disorder in the City of London.

## **10 Options**

10.1 The Sub-committee must, having regard to the representations, take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- (a) grant the licence subject to any conditions consistent with the operating schedule modified to such extent as the Sub-committee considers appropriate for the promotion of the licensing objectives and include the mandatory conditions contained in Ss. 19-21 of the Licensing Act 2003;
- (b) exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to refuse to specify a person in the licence as the designated premises supervisor;

(d) reject the application

For the purposes of paragraph 10.1(a) conditions consistent with the operating schedule are modified if any of them are altered or omitted or any new condition is added

10.2 Where a licensing authority takes one or more of the steps stated in paragraph 10.1 above the applicant, or the holder of the licence and/or a person who made relevant representations in relation to the application, may appeal the decision to the Magistrates' Court. Any appeal must be commenced within 21 days following notification of the decision to the appellant by the licensing authority.

## **11 Recommendation**

11.1 It is therefore RECOMMENDED that your Sub-Committee determine this application for a new premises licence in accordance with paragraph 10 of this report.
