The City Bridge Trust Committee - 9 May 2013

## Summary of Recommendations for Rejection - Working with Londoners

Ref & Organisation <u>Bridging Communities</u>	Purpose	Reason for Recommendation for Rejection	Amount Requested	Grants Officer & Area
11577 Crib	The funding is requested to run an intergenerational project, supporting 1 x full-time , and 9 x part-time salaries, equipment and running cost.	A large request from an organisation that is heavily dependent on Local Authority Funding. Income has reduced by more than a third in the past year and free reserves are at a very low level. From the further information provided it is unclear whether the primary focus meets your Bridging Communities criteria.	£187,348	JGC Hackney
11598 First Aid Nursing Yeomanry (Princess Royal's Volunteer Corps)	£90,000 over three years (£30,000 per annum) for the part-time salary of our the Commanding Officer of the FANY.	This application does not meet any of the Trust's priorities.	£90,000	JF Westminster
11652 Islamic Youth Group (IYG)	LEAD (Linking Equalities, Achievement, Development), a project to improve inter-generational and inter-cultural understanding and encourage community leadership for 100 disadvantaged, 12-19 year olds.	The parent organisation's charitable objects are focussed on promoting the Islamic faith. Organisation has lost all its local authority funding over the 12/13 and 13/14 period and, at the end of 2012, held over three years' worth of expenditure in free reserves.	£44,512	CR Wandsworth

<b>Ref &amp; Organisation</b>	<b>Purpose</b>	<b>Reason for Recommendation for Rejection</b>	<b>Amount Requested</b>	<b>Grants Officer &amp; Area</b>
11680 It's Your Life	To provide staff, materials and expenses to support and extend IYL to include after school Somali Support Group. 2 hours, 40 weeks/year for 3 years.	Application is for a supplementary school and therefore does not meet your priorities.	£43,620	CR Lambeth
11661 Latin American House	The project will reduce the isolation of Latin American migrants, foster their integration and promote dialogue between the Latin community and other groups in London.	Application is for the full costs of a f/t CEO, where many of the duties and responsibilities would not meet your specific priorities for Bridging Communities. Organisation holds less than one weeks' worth of expenditure in free reserves.	£139,588	CR Camden
11681 Options 4 Change	For our Listening Workshop to enable parents to be peer mentors, engage in discussions with service heads and become parents representatives in their communities.	Project is effectively a small-scale parenting skills endeavour and therefore does not meet your priorities. The level of free reserves held at the end of June 2012 was very low and a deficit is predicted for 2012/13.	£19,865	CR Lambeth
11657 S.P.I.D Theatre Company	An intergenerational project about the modernist Kensal House Estate's past. Isolated residents will collaborate on a promenade performance, a heritage pamphlet and a guided tour.	Although the proposal would meet your priorities, 80% of the total funds have already been raised for a project budget which appears excessive in certain categories.	£9,385	CR Kensington & Chelsea

<b>Ref &amp; Organisation</b>	<b>Purpose</b>	<b>Reason for Recommendation for Rejection</b>	<b>Amount Requested</b>	<b>Grants Officer &amp; Area</b>
11671 St Paul's Community Centre - Marylebone	To purchase a large electronic screen, fitted to ceiling of the Centre, with a winching system, remote control kit and 8500 lumen projector with mountings.	Application is for capital items the purchase of which would not meet your priorities.	£12,000	CR Westminster
11614 Tender Education and Arts	A youth-led solution aimed to prevent domestic abuse and sexual violence through the cohesion and joint working of London's multiple and diverse communities.	This is, overall, a very expensive project where some of the expenditure items are particularly high. Despite the organisation's long history of work in this field the application is thin on reporting the impact of this work.	£100,788	CR Camden
11677 Voices Now	To cover Voices Now's marketing and communications costs, enabling it to attract as diverse as possible a range of Londoners as participants and audience members.	Application is for the marketing costs of a Festival in June and does not meet your priorities under Bridging Communities. No accounts presented with the application.	£20,000	CR Camden
<i>Total Bridging Communities (10 items)</i>			<u>£667,106</u>	
<b><u>Older Londoners</u></b>				
11609 Akademi South Asian Dance UK	Providing workshops and support to Older Adults on nutrition and using yoga and creative walks to stimulate memory and physical exercise.	Project comprises a series of "Creative Health Walks" but is not solely focused on working with the 65+ age group and therefore does not meet your priorities.	£109,541	CR Camden

<b>Ref &amp; Organisation</b>	<b>Purpose</b>	<b>Reason for Recommendation for Rejection</b>	<b>Amount Requested</b>	<b>Grants Officer &amp; Area</b>
11658 Billingsgate Seafood Training School	To hold courses for the over 65s to learn to prepare healthy meals for 1 based on fish and vegetables.	Application is for a project to teach people aged 60+ how to cook fish meals and therefore does not meet your priorities.	£29,507	CR Tower Hamlets

**Positive Transitions to Independent Living**

11488 Changing Tunes	We are seeking funding to engage prisoners and ex-prisoners in making music and to aid and support their transition to independent, crime-free living.	The organisation is currently working in the south of England and plans to expand its work across the UK through chairty franchising, starting with London. While it is currently registering a new charity for London and the South East, it does not have a track record of working in the city and agreement has not yet been secured from the prisons in which they wish to work.	£67,950	KMG Outside London
11674 HemiHelp	Provision of Independent Living Workshops and a one to one mentoring service to young people with hemiplegia living in Greater London.	Although the level of free reserves held by this organisation is within its policy range (6-9 months' expenditure), the small sum requested could easily be found from those reserves without depleting them unduly.	£5,740	CR Islington
