Main Report

Since your last meeting variation to the single grant outlined below has been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

Kainos Community

In November 2012 a grant of £21,000 was awarded to the above for a third and final year's support of a resettlement programme for prisoners held at HMP Swaleside and who would be returning to London upon release. Since then Kainos has been successful in winning NOMS contracts to work in other prisons with the result that the organisation has shifted its base and focus to prisons further afield where very few of those released would be returning to London. As a result the balance of the grant remaining after the original project with Londoners ended (£5,250) has been revoked.
