

Motion –  
by Deputy Shравan Joshi

*To be presented on Thursday 23<sup>rd</sup> May 2024*

*To the Right Honourable The Lord Mayor, Aldermen and Commons  
of the City of London in Common Council assembled.*

**Motion:-**

“That this Court of Common Council of the City of London Corporation commits to tackling the growing issue of inappropriately parked and obstructive dockless bikes within the City of London, while continuing to call for stronger legislation from national government. It resolves that, in the absence of the additional powers granted by central legislation on micromobility that are needed, the Court calls on operators to comply with our requirements and manage their fleets in line with available parking capacity and to prevent obstructions. Furthermore, that the City Corporation urgently explores additional options to tackle the challenge such as enhanced fining zones and additional parking bays.

The Court further resolves that it supports the work of the Greater London Authority and Transport for London approach and commits to joining a future pan-London non-docked micromobility contract that aims for a legally binding contract with clear rules and expectations and centralised capacity to manage the contract and measure performance through TfL and London Councils.”
