## ORIGINS OF THE CHARITY

The Charity in its current form is a merger of three very small charities following a review of these within the City Corporation in 2011. The assets of the English Philological Endowment Fund (Charity number 306000) and the Alderman Sir Samuel Wilson Charity (unregistered) were transferred to the Guildhall Library Centenary Fund.

It covers all the City of London collections outlined under *Objectives and Activities for the public benefit*. The key overall target is for the funds to be acquired and used for the purchase and conservation of items for and in these collections as the need arises. Additionally, the Fund will seek to identify small projects that deliver on the cross-collection nature of the charity and in particular the education of the public, potentially using funds as partner funding for external grant applications.

## STRUCTURE AND GOVERNANCE

### GOVERNING DOCUMENTS

The governing document of the charity is the Trust deed dated 7 March 1929 which was amended on 9 June 2011. Under the powers of the Charities Act 2011 this amendment has taken into account the transfer of the assets of the English Philological Endowment Fund (Charity number 306000) and the Alderman Samuel Wilson's Gift of Harbinger's Portraits (unregistered). The charity is constituted as a charitable trust.

### GOVERNANCE ARRANGEMENTS

The Mayor and Commonalty and Citizens of the City of London (also referred to as 'the City Corporation' or 'the City of London Corporation'), a body corporate and politic, is the Trustee of Guildhall Library Centenary Fund. The City Corporation is Trustee acting by the Court of Common Council of the City of London in its general corporate capacity and that executive body has delegated responsibility in respect of the administration and management of this charity to various committees and sub-committees of the Common Council, membership of which is drawn from 125 elected Members of the Common Council and external appointees to those committees. In making appointments to committees, the Court of Common Council will take into consideration any particular expertise and knowledge of the elected Members, and where relevant, external appointees. External appointments are made after due advertisement and rigorous selection to fill gaps in skills.

Members of the Court of Common Council are unpaid and are elected by the electorate of the City of London. The Key Committees which had responsibility for directly managing matters related to the charity during 2023/24 were as follows:

- **Policy and Resources Committee** – responsible for allocating resources and administering the charity.
- **Investment Committee** – responsible for the strategic oversight and monitoring of the performance of the charity's investments which are managed by three separate sub-committees, namely the Financial Investment Board, the Property Investment Board and the Social Investment Board.
- **Audit and Risk Management Committee** – responsible for overseeing systems of internal control and making recommendations to the Finance Committee relating to the approval of the Annual Report and Financial Statements of the charity.
- **Culture, Heritage and Libraries Committee** – responsible for the activities undertaken by the Guildhall Library Centenary Fund charity and acting as Trustee of the charity.

The Culture, Heritage and Libraries Committee of the City of London Corporation administers the Charity on behalf of the Trustee. This committee comprises Aldermen and Common Councilmen elected to the City of London Corporation who are appointed to this committee in accordance with the usual procedures of committee membership of the City of London Corporation.

All of the above committees are ultimately responsible to the Court of Common Council of the City of London. Committee meetings are held in public, enabling the decision-making process to be clear, transparent and publicly accountable. Details of the membership of Committees of the City Corporation are available at [www.cityoflondon.gov.uk](http://www.cityoflondon.gov.uk)

The Trustee believes that good governance is fundamental to the success of the charity. A comprehensive review of governance is ongoing to ensure that the charity is effective in fulfilling its objectives. Reference is being made to the good practices recommended within the Charity Governance Code throughout this review. Focus is being placed on ensuring regulatory compliance and the ongoing maintenance of an efficient and effective portfolio of charities that maximise impact for beneficiaries.

## **ORGANISATIONAL STRUCTURE AND DECISION-MAKING PROCESS**

The charity is administered in accordance with its governing instruments and the City Corporation's own corporate governance and administration framework, including Committee Terms of Reference, Standing Orders, Financial Regulations and Officer Scheme of Delegations. These governance documents can be obtained via a request to the email address stated on page 19.

Each Member by virtue of their membership of the Court of Common Council, its relevant committees and sub-committees, has a duty to support the City Corporation in the proper exercise of its functions and in meeting its duties as trustee of the charity by faithfully acting in accordance with charity law, the Terms of Reference of the relevant committee or sub-committee, and the City of London Corporation's agreed corporate governance framework as noted above, backed up by its standards regime.

## **INDUCTION AND TRAINING OF MEMBERS**

The City Corporation makes available to its Members, seminars and briefings on various aspects of its activities, including those concerning the charity, to enable Members to carry out their duties efficiently and effectively. If suitable seminars or other training options are identified that are relevant to the charity, Members are advised of these opportunities.

## **OBJECTIVES AND ACTIVITIES**

The objective for Guildhall Library Centenary Fund is to advance the education and training of the public through the provision and conservation of library, archive, museum and gallery collections.

The City of London Corporation makes such seminars and briefings available to its Members as it considers are necessary to enable the Members to efficiently carry out their duties. Such events relate to various aspects of the City's activities, including those concerning Guildhall Library Centenary Fund.

The Charity Governance Code was published in July 2017. The Trustee is supportive of the Code and its aim to assist in the development of high standards of governance

throughout the charity sector. The Trustee considers the application of recommended practice in the work of the Guildhall Library Centenary Fund charity.

### **Fundraising**

Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities. The legislation defines fundraising as “soliciting or otherwise procuring money or other property for charitable purposes”. Although Guildhall Library Centenary Fund charity does not undertake widespread fundraising from the general public, any such amounts receivable are presented in the financial statements as “voluntary income” including grants.

In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fund-raisers, or third parties. The day to day management of all income generation is delegated to the executive team, who are accountable to the trustee. The charity is not bound by any regulatory scheme and does not consider it necessary to comply with any voluntary code of practice.

The charity has received no complaints in relation to fundraising activities in the current year (2022-23: nil). Individuals are not approached for funds, hence the charity does not consider it necessary to design specific procedures to monitor such activities.

### **Investment Policy**

The charity’s investments are held in units of the City of London Charities Pool (registered charity 1021138). The investment policy of the Charities Pool is to provide a real increase in annual income in the long term whilst preserving the value of the capital base. The annual report and financial statements of the Charities Pool (which include an analysis of investment performance against objectives set) are available from the Chamberlain of London, at the email address stated on page 19.

### **Public benefit statement**

The Trustee confirms that it has referred to the guidance contained in the Charity Commission’s general guidance on public benefit when reviewing Guildhall Library Centenary Fund’s aims and objectives and in planning future activities. The purpose of the charity is to advance the education and training of the public, in particular but not exclusively by the purchase of works of art, books, prints and articles of historical, archaeological or literary interest for the Guildhall Library.

Consequently, the Trustee considers that Guildhall Library Centenary Fund operates to benefit the general public and satisfies the public benefit test.

## **REFERENCE AND ADMINISTRATIVE DETAILS**

The administrative details of the charity are stated on page 19.

## **ACHIEVEMENTS AND PERFORMANCE**

A decision was taken in January 2022 to close the charity given the charity's modest funds and the resulting challenges the charity will face in continuing to meet its charitable purpose in the future. The funds will be spent out in furtherance of the of the charitable purposes of the GLCF, being to advance the education and training of the public, in particular but not exclusively by the provision of library, archives, museum and gallery services. Once spent, the charity will be wound up and removed from the Register of Charities.

## **PLANS FOR FUTURE PERIODS**

Following the decision taken by the Trustees as detailed above, the investments will be sold and the funds will be applied to support education and training at the Guildhall Libraries, the Guildhall Art Gallery and the London Metropolitan Archives (LMA).

The restricted fund relates to a grant of £5,000 to the charity in 2019/2020 to support the conservation and boxing of the Charles Lamb Society Collection. These funds will need to be spent in accordance with the terms of that grant before the charity can be closed.

It is expected that the charity will be closed during the 2024/25 financial year, and therefore the charity is no longer considered to be a going concern.

## **FINANCIAL REVIEW**

### **Overview of Financial Performance**

#### **Income**

In 2023/24 the charity's total income for the year was £735, an overall increase of £411 against the previous year (2022/23: £324) all of which relates to dividends and interest.

#### **Expenditure**

In 2023/24 the charity's total expenditure for the year was £2,065. Total expenditure for 2022/23 was £854 the increase of £1,211 predominately relates to an increase in legal fees incurred throughout the year. The expenditure in the 2023/24 year relates to internal legal fees relating to the proposed closure of the charity of £1,373 (2022/23: £204) and administrative support of £692 (2022/23: £650).

#### **Funds held**

The charity's total funds held decreased by £1,314 to £15,862 as at 31 March 2024 (2022/23: £17,176).

Unrestricted Funds decreased in the year to £10,862 (2022/23: £12,176). There was no change to the Restricted Funds.

Details of all funds held, including their purposes, is set out within note 10 to the financial statements.

#### **Reserves policy**

The decision to wind up the charity, taken on 31 January 2022, also included a decision to release all restrictions on the permanent endowment and spend it out. As such the full value of the permanent endowment was transferred to the unrestricted income funds in the year.

The free reserves of the charity are held to cover working capital needs. The Trustee believes that a minimum amount of £2,000 should be held at present, which will be subject to annual review. As at 31 March 2024 the charity held £10,862 as free reserves, which will be spent out as part of the winding up of the charity as detailed above on page 5.

#### **Principal Risks and Uncertainties**

The charity is committed to a programme of risk management as an element of its strategy to preserve the charity's assets. In order to embed sound practice the senior leadership team ensures that risk management policies are applied, that there is an on-going review of activity and that appropriate advice and support is provided. A key risk register has been prepared for the charity, which has been reviewed by the Trustee. This identifies the potential impact of key risks and the measures which are in place to mitigate such risks.

## TRUSTEE'S RESPONSIBILITIES

The Trustee is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustee to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the Trustee must not approve the financial statements unless the Trustee is satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on a basis other than going concern.

The Trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable the Trustee to ensure that the financial statements comply with the Charities Act 2011. The Trustee is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustee is aware:

- there is no relevant audit information of which the charity's auditors are unaware; and
- the Trustee has taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Financial statements are published on the Trustee's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements, which may vary from legislation in other jurisdictions. The maintenance and integrity of the Trustee's website is the responsibility of the Trustee. The Trustee's responsibility also extends to the ongoing integrity of the financial statements contained therein.

# NOTES TO THE FINANCIAL STATEMENTS

## 1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the financial statements of the charity.

### (a) Basis of preparation

The financial statements of the charity, which is a public benefit entity under FRS102, have been prepared under the historical cost convention and in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition effective 1 January 2019) and the Charities Act 2011.

The financial statements are not prepared on a going concern basis due to the anticipated closure of the charity.

### (b) Key management judgements and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of decisions about carrying values of assets and liabilities that are not readily apparent from other sources. The resulting accounting estimates will, by definition, seldom equal the related actual results.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. Management do not consider there to be any material revisions requiring disclosure.

### (c) Statement of Cash Flows

As per section 14.1 of the Charities SORP the Charity is not required to produce a statement of cash flows on the grounds that it is a small entity.

### (d) Income

All income is included in the Statements of Financial Activities (SOFA) when the charity is legally entitled to the income; it is more likely than not that economic benefit associated with the transaction will come to the charity and the amount can be quantified with reasonable certainty. Income consists of managed investments.

### (e) Expenditure

Expenditure is accounted for on an accruals basis and has been classified under the principal category of 'expenditure on charitable activities'. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity

to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

The charity does not employ any staff. Officers of the City Corporation provide administrative assistance to the charity when required. From 2021/22, the City Corporation, as Trustee, took a decision to seek reimbursement for the administration fees incurred from each of its charities.

**(f) Taxation**

The charity meets the definition of a charitable trust for UK income tax purposes, as set out in Paragraph 1 Schedule 6 of the Finance Act 2010. Accordingly, the charity is exempt from UK taxation in respect of income or capital gains under part 10 of the Income Tax Act 2007 or section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**(g) Heritage Assets**

On acquisition, heritage assets are initially recorded in the balance sheet at cost (for those acquired by purchase) or at valuation (for those acquired by donation), where such information is available.

In 2020/21, it was discovered that three paintings hung in Guildhall Art Gallery were legally owned by the Guildhall Library Centenary Fund, following a transfer from another charity in a 2011 scheme (which did not specifically name the assets). The paintings are held to advance education and training of the public in line with the objects of the Charity.

The Trustee does not consider that reliable cost or valuation information can be obtained for the paintings because of their unique features and the lack of comparable market values, and the lack of a valuation at the original date of transfer. Furthermore, the Trustee believes that the cost of obtaining a valuation of these assets would be onerous compared with the benefit that would be derived by users of the financial statements in assessing their stewardship of the assets. The Charity does not therefore recognise these assets on its balance sheet.

In accordance with the requirement of Section 34 of FRS 102 and Section 18 of SORP FRS 102, note 7 to the financial statements provides additional disclosures on the nature and significance of the charity's heritage assets, and access information.

**(h) Investments**

Investments are made in the City of London Charities Pool (charity number 1021138) which is an investment mechanism operating in a comparable way to a unit trust. This enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually.

Investments are valued at bid-price. Gains and losses for the year on investments held as fixed assets are included in the Statement of Financial Activities.

**(i) Funds structure**

Income, expenditure and gains/losses are allocated to particular funds according to their purpose:

**Permanent endowment fund** – this fund consists of funds which are held in perpetuity for the benefit of the charity as a result of conditions imposed by the original donors and trusts. Income generated from the investments which represent these funds can be spent on the charitable purpose of the charity, hence is allocated to the unrestricted income fund. Gains/losses on the underlying assets remain as part of the endowment.

**Restricted funds** – These include income that is subject to specific restrictions imposed by donors, with related expenditure deducted when incurred.

**Unrestricted income funds** – these funds can be used in accordance with the charitable objects at the discretion of the Trustee and include both income generated by assets held within the permanent endowment fund and from those representing unrestricted funds. Specifically, this represents the surplus of income over expenditure for the charity which is carried forward to meet the requirements of future years, known as free reserves.

**(j) Indemnity insurance**

The City of London Corporation takes out indemnity insurance in respect of all its activities. The charity does not contribute to the cost of that insurance.

Following a review from 2021/22, the City Corporation, as Trustee, took a decision to seek reimbursement for the administration fees incurred from each of its charities.

### 5. AUDITOR'S REMUNERATION

Owing to the size of the charity, no audit or independent examination is required for Guildhall Library Centenary Fund in 2023/24. In 2022/23 no audit fee was charged to the charity.

## 6. TRUSTEE EXPENSES

The members of the Culture, Heritage and Libraries Committee of the City of London Corporation acting on behalf of the Trustee did not receive any remuneration or reimbursement of expenses during 2023/24 (2022/23: nil).

## 7. HERITAGE ASSETS

The Guildhall Library Centenary Fund holds three items which meet the definition of heritage assets, being two paintings by Alexander Ripppingille and one by Sir John Newton, referred to as the 'Harbinger paintings'.

The three paintings are held by the Guildhall Art Gallery which is free to the public and accessible during opening hours; and they are preserved and managed by the staff of the Gallery who are considered to be experts in this field. One painting is currently hanging whilst the other two are in store; members of the public can request a viewing of any paintings not on current display by contacting the Gallery team, and all paintings held in the collection are accessible online via the London Picture Archive.

The paintings are held on a long term basis for use in the charity's objects.

Whilst no reliable cost or valuation information is available, and obtaining such valuation would be onerous given the size and activities of the charity, it is helpful (as per Charity SORP 18.26) for the users of the financial statements to be aware that the insurance values of the three paintings is £22,038.

## 8. INVESTMENTS

The investments are held in the City of London Corporation Charities Pool, a charity registered in the UK with the Charities Commission (charity number 1021138). The Charities Pool is a UK registered unit trust.

The value of investments held by the charity are as follows:

### Purpose of endowment funds

The permanent endowment fund is held in perpetuity as a capital fund to generate income for the activities of the charity and represents the original assets of the charity, reported at current market value. Any income from this fund is accounted for within unrestricted income funds.

In 2021/22 restrictions were lifted from the endowment fund and it was transferred to unrestricted funds.

### Purpose of restricted funds

In 2019/20 the charity received a grant of £5,000 to contribute towards specific works at the Guildhall Library, therefore the grant is being held in a Restricted Fund until the works are able to take place.

## 11. RELATED PARTY TRANSACTIONS

The City Corporation is the sole Trustee of the charity, as described on page 2.

The charity is required to disclose information on related party transactions with bodies or individuals that have the potential to control or influence the charity. Members are required to disclose their interests, and these can be viewed online at [www.cityoflondon.gov.uk](http://www.cityoflondon.gov.uk).

Members and senior staff are requested to disclose all related party transactions, including instances where their close family has made such transactions.

Figures in brackets represent the amounts due at the balance sheet date.
