ORIGINS OF THE CHARITY

The City of London School Bursary Fund charity, and the various individual governing documents of City of London School Scholarships and Prizes Fund, were registered on 22 September 1978. The governing documents were replaced on 4 November 2011 by the governing scheme approved by The Charity Commission for England and Wales.

The Charity Commission granted a further scheme on the 22 December 2020, which altered and amended the 2011 scheme to merge the Funds, the City of London School Bursary Fund, and the City of London School Scholarships and Prizes Fund, to create a single fund with consolidated objectives, known as the CLS Bursary and Awards Fund.

TRUSTEE'S ANNUAL REPORT

STRUCTURE AND GOVERNANCE

GOVERNING DOCUMENTS

The governing document for the CLS Bursary and Awards Fund (charity registration: 276654), is the amending Scheme approved by The Charity Commission for England on 22 December 2020. This Scheme replaced the governing scheme approved by the Charity Commission for England and Wales on 4 November 2011.

GOVERNANCE ARRANGEMENTS

The Mayor and Commonalty and Citizens of the City of London (also referred to as 'the City Corporation' or 'the City of London Corporation'), a body corporate and politic, is the Trustee of the CLS Bursary and Awards Fund. The City Corporation is Trustee acting by the Court of Common Council of the City of London in its general corporate capacity and that executive body has delegated responsibility in respect of the administration and management of this charity to the Board of Governors of the City of London School. In making appointments to committees, the Court of Common Council will take into consideration any particular expertise and knowledge of the elected Members, and where relevant, external appointees. External appointments are made after due advertisement and rigorous selection to fill gaps in skills. Members of the Court of Common Council are unpaid for support provided to the charity, and are elected by the electorate of the City of London

The key Committee which has responsibility for directly managing matters related to the charity is the Board of Governors of the City of London School, which is ultimately responsible to the Court of Common Council of the City of London.

The Trustee believes that good governance is fundamental to the success of the charity. A comprehensive review has been carried out to ensure that the charity is effective in fulfilling its objectives, with governance changes made and operational recommendations in progress. Reference is being made to the good practices recommended within the Charity Governance Code throughout this review to ensure regulatory compliance and the ongoing maintenance of an efficient and effective portfolio of charities that maximise impact for beneficiaries.

OBJECTIVES AND ACTIVITIES

The City of London School was established by Act of Parliament in 1834 although it can trace its history back to the 15th century. It aspires to be a School that fully prepares respectful, optimistic and inquisitive pupils for the rapidly changing demands of the twenty-first century. The School aims to provide an education in the broadest sense, combining academic excellence with exceptional pastoral care, framed by an outward-looking and forward-thinking approach. It also strives to make that education available to as many talented pupils as possible. Boys are admitted at 10+, 11+, 13+ and 16 and normally remain until 18 years of age.

The objective of the charity is the promotion of education (including physical education) by the provision of:

- (a) bursaries and other forms of financial assistance for fees and/or other costs incurred through attendance at the School to enable pupils to further their education at the School; and
- (b) scholarships, prizes or other suitable rewards or marks of distinction to pupils and former pupils of the School and pupils of other schools with whom the school has cooperated under clause 4(14) of the governing document.

INVESTMENT POLICY

The charity's investments are held in units of the City of London Charities Pool (registered charity 1021138). The investment policy is to provide a real increase in annual income in the long term whilst preserving the value of the capital base. The annual report and financial statements of the Charities Pool (which include an analysis of investment performance against objectives set) are available from the Chamberlain of London & Chief Financial Officer, at the email address stated on page 18.

POLICY ON GRANT MAKING

The charity has established their grant making policy to achieve their objects, as laid out above, for the public benefit. Applications are assessed via a robust process to ensure the proposed activities for funding will be supported by adequate and appropriate resources and will be used only for activities that match the charity's criteria. The assessment, management and oversight of the charity's grant making is provided by the City of London School, which is part of the City of London Corporation. Grants are recognised in the Statement of Financial Activities when they have been approved by the Trustee and notified to the Beneficiaries.

PUBLIC BENEFIT STATEMENT

The Trustee confirms that it has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the CLS Bursary and Awards Fund's aims and objectives and in planning future activities. The purposes of the charity are as stated above.

Consequently, the Trustee considers that the CLS Bursary and Awards Fund operates to benefit the general public and satisfy the public benefit test.

REFERENCE AND ADMINISTRATIVE DETAILS

The administrative details of the charity are stated on page 18.

ACHIEVEMENTS AND PERFORMANCE

The target for 2023/24 was to continue to contribute towards fees of pupils at the City of London School where financial hardship would cause the pupil to be unable to enter or continue at the School. In line with this, 8 bursaries (2022/23: 4 bursaries) were awarded during the year amounting to £147,250 (2022/23: £65,628).

PLANS FOR FUTURE PERIODS

The objective for future periods is to continue to contribute towards the tuition fees payable to the City of London School for pupils who, but for financial assistance, would not be able to continue at or enter the School.

The Trustee does not consider there to be any material uncertainty around going concern and further detail regarding this is set out on page 11.

FINANCIAL REVIEW

In 2023/24, the charity's total income for the year was £139,743, an overall reduction of £14,230 against the previous year (2022/23: £153,973).

The key contributor to income was from investments, made up of investment income of £125,333 (2022/23: £149,282) from funds held in the Charities Pool.. Performance is expected to recover in the medium term. Income is also comprised of £14,410 (2022/23: £4,691) from interest on cash balances, an increase from the prior year due to favourable interest rates.

Expenditure

Total expenditure for the year was £153,918 (2022/23: £72,274), of which £147,250 was bursary awards, with £6,668 of support costs (2022/23: £65,628 was bursary awards, with £6,646 of support costs).

Over the longer term three and five year horizon, the Charities Pool continues to outperform the FTSE All Share Index as shown in the table below. The Charities Pool invests in the Artemis Income (Exclusions) Fund, which is an unconstrained, multi-cap strategy that aims to generate a rising income stream combined with long-term capital growth. The Fund invests in UK equities, and can also hold international equities and bonds. Shares in companies that derive more than 20% of their revenues from tobacco, gambling, weapons and fossil fuels are excluded.

Funds held

The charity's total funds held increased by £356,743 to £4,408,353 as at 31 March 2024 (2022/23: total funds held reduced by £5,584 to £4,051,610).

Within the total funds held, £4,165,491 (2022/23: £3,806,634) represent permanent and expendable endowment funds. The permanent endowment is held to generate income that is accounted for within unrestricted income funds for the primary objectives of the charity.

Unrestricted income was made up of Investment income of £125,333 (2022/23: £149,282) and interest of £14,410 (2022/23: £4,691), with unrestricted expenditure of £153,918 (2022/23: £72,274). The unrestricted general funds held were £242,862

(2022/23: £244,976). Any undistributed income is held for use in future years in accordance with the objectives of the charity.

Details of the funds held, including their purpose, are set out within note 10 to the financial statements.

Reserves policy

The reserves policy is to maintain the restricted and endowment funds of the charity in investments in the Charities Pool administered by the City of London Corporation and use the investment income together with other funds, in accordance with the objectives of the charity. The Trustee also has the discretion to distribute the expendable endowment, in addition to the unrestricted fund, as bursaries, prizes and other forms of financial assistance should they deem this is appropriate. The Trustee believes that an amount of at least £7,000 should be held at present to meet future working capital needs, representing 12 months of administration and independent examination fees. Current free reserves held are £242,862, being unrestricted general funds; this is above the minimum level required and is being factored into plans for future periods including those noted on page 5.

Principal Risks and Uncertainties

The charity is committed to a programme of risk management as an element of their strategies to preserve the charity's assets. In order to embed sound practice the senior leadership team ensures that risk management policies are applied, that there is an on-going review of activity and that appropriate advice and support is provided. A key risk register has been prepared for the charity, which identifies the potential impact of key risks and the measures which are in place to mitigate such risks.

TRUSTEE'S RESPONSIBILITIES

The Trustee is responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Charity law requires the Trustee to prepare the financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the Trustee must not approve the financial statements unless the Trustee is satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustee is responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable the Trustee to ensure that the financial statements comply with the Charities Act 2011. The Trustee is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustee is aware:

- there is no relevant audit information of which the charity's auditors are unaware; and
- the Trustee has taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE OF THE CLS BURSARY AND AWARDS FUND

I report to the Trustee on my examination of the accounts of CLS Bursary and Awards Fund for the year ended 31 March 2024 which are set out on pages 9 to 17.

This report is made solely to the charity's Trustee, as a body, in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charity's Trustee those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity, the charity's members as a body and the charity's Trustee as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity Trustee of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items that are considered material in relation to the financial statements of the charity.

(a) Basis of preparation

The financial statements of the charity, which is a public benefit entity under FRS102, have been prepared under the historical cost convention and in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition effective 1 January 2019) and the Charities Act 2011.

(b) Going concern

The financial statements have been prepared on a going concern basis as the Trustee considers that there are no material uncertainties about the charity's ability to continue as a going concern. The charity aims to only spend the income that is generated from donations and investments, so maintaining its capital base.

In making this assessment, the Trustee has considered the current high inflationary pressures on the value of investment assets held, future income levels, expenditure requirements and the liquidity of the charity over the 12-month period from the date of the signed accounts. It has not identified any indication that the charity will not be able to meet liabilities, including planned commitments, as they fall due.

The policy of aiming to only approving commitments from available income provides the flexibility to ensure the long-term viability of the charity. For this reason, the Trustee continues to adopt a going concern basis for the preparation of the financial statements.

(c) Key management judgements and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenditure. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of decisions about carrying values of assets and liabilities that are not readily apparent from other sources. The resulting accounting estimates will, by definition, seldom equal the related actual results.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the

1. ACCOUNTING POLICIES (CONTINUED)

estimate is revised and in any future periods affected. Management do not consider there to be any material judgements or estimates included in the financial statements.

(d) Statement of Cash Flows

As per section 14.1 of the Charities SORP the Charity is not required to produce a statement of cash flows on the grounds that it is a small entity.

(e) Income

All income is included in the Statements of Financial Activities (SOFA) when the charity is legally entitled to the income; it is more likely than not that economic benefit associated with the transaction will come to the charity and the amount can be quantified with reasonable certainty. Income consists of donations, investment income and interest.

(f) Expenditure

Expenditure is accounted for on an accruals basis and has been classified under the principal category of 'expenditure on charitable activities'. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably.

The charity does not employ any staff.

Officers of the City Corporation provide administrative assistance to the charity when required. From 2021/22, the City Corporation, as Trustee, has taken a decision to seek full reimbursement for the administration incurred from each of its charities.

(g) Taxation

The charity meets the definition of a charitable trust for UK income tax purposes, as set out in Paragraph 1 Schedule 6 of the Finance Act 2010. Accordingly, the charity is exempt from UK taxation in respect of income or capital gains under part 10 of the Income Tax Act 2007 or section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

(h) Investments

Investments are made in the City of London Charities Pool (charity number 1021138) which is an investment mechanism operating in a similar way to a unit trust. This enables the City of London Corporation to "pool" small charitable investments together and consequently obtain better returns than would be the case if investments were made individually.

1. ACCOUNTING POLICIES (CONTINUED)

Investments are valued at bid-price. Gains and losses for the year on investments held as fixed assets are included in the Statement of Financial Activities.

(i) Funds structure

Income, expenditure and gains/losses are allocated to particular funds according to their purpose:

Permanent endowment fund – this fund consists of funds which are held in perpetuity for the benefit of the charity as a result of conditions imposed by the original donors and trusts. Income generated from the investments which represent these funds can be spent on the charitable purpose of the charity, hence is allocated to the expendable endowment fund. Gains/losses on the underlying assets remain as part of the endowment.

Expendable endowment fund – this fund consists of funds that are expendable as a result of conditions imposed by the original donors and trusts. Funds can also be invested to generate income which can be spent on the charitable purpose of the charity.

Unrestricted general funds - these funds can be used in accordance with the charitable objects at the discretion of the Trustee and include income generated by assets held within the permanent and expendable endowment funds.

(j) Insurance

The charity, elected Members and staff supporting the charity's administration are covered by the City Corporation's insurance liability policies, and otherwise under the indemnity the City Corporation provides to Members and staff, funded from City's Estate.
