

DRAFT CITY SURVEYOR'S DEPARTMENT 25/26 BUSINESS PLAN

About us:

The City Surveyor's Department (CSD) is accountable for the management of the City of London Corporation's (CoLC) property investment portfolio and property/construction projects (minor & major). It is responsible for oversight of corporate real estate, the heritage estate, and providing day-to-day outsourced facilities management services to both investment and operational portfolios via a third-generation integrated model. Additionally, it operates three wholesale food markets and ensures the smooth operation of the Central Criminal Court.

Departmental objectives:

Strategic Asset Management (Operational Property Portfolio Non-Housing): Develop and implement asset management plans that align with the Corporate Property Asset Management Strategy supporting City services and the outcomes of the Corporate Plan. Maximise income and /or capital receipts arising from our operational property portfolio to support the Medium Term Financial Plan, optimise the efficiency of our operational property portfolio allocated to departments and Institutions and decarbonise to achieve carbon net zero.

Investment Portfolio Management: Manage the investment property portfolios (City Fund, City's Estate and City Bridge Foundation) to maximise rental income and deliver long-term performance pursuant to the Real Estate Investment Strategy.

Property Projects: Delivery of new build construction, fit-out, infrastructure upgrade and refurbishment projects ensuring our customer expectations are met or exceeded by ensuring focus on innovation, social responsibility, sustainability, industry standards, and achieving best-in-class value.

Property Services (Operations Group): Deliver best in class property services to the Corporation's varied and complex property portfolios, ensuring our buildings are fit for their purpose. Drive enhanced efficiencies through the provision of facilities management, building surveying and engineering, security and reception services and energy and sustainability management.

Central Criminal Court: Maintain an iconic, high quality, London court complex, that supports the Court Services and associated departments to run smoothly, working collaboratively across all operational functions in delivering facilities management (security, maintenance, cleaning, catering). Support the Shrievalty to promote the City of London and make a positive contribution to the UK. Generate further commercial event income.

Major Disposals: Disposal of large sites from across the City's portfolios via sales, development agreements, and corporate joint ventures with development partners. To deliver corporate objectives, such as Destination City, through the regeneration of sites or their sale to fund other priorities. Responsible for the preservation of our heritage estate portfolio, comprising of over 800 assets through strategic conservation management.

Markets: Provide a vital link in the food supply chain for London and the South by operating three thriving wholesale food markets, with national and international reach. Manage and provide a safe and compliant trading environment for our tenants.

Cross Cutting objectives:

Major Programmes: In collaboration with the Town Clerk's Department, oversee the delivery of the Salsbury Square development (SSD), London Museum relocation, Barbican Renewal, and other strategic construction initiatives.

Head of Profession (HOP): The City Surveyor is HOP for Estates and Facilities Management providing Chief Officers with advice and support in delivering their property accountabilities. The Director of Markets is similarly HOP for Fleet Management. The department is actively engaging with corporate colleagues to further define and communicate roles and responsibilities under HOP.

Corporate Strategies: Supporting the delivery of major corporate priorities, including Climate Action Strategy (CAS) delivery, Destination City, and Equality, Equity, Diversity and Inclusion (EEDI) initiatives. Further, the department is providing significant support to the delivery of the Operational Property Review and the Natural Environment Charities Review.

Key Impacts

- Generated over £100m of commercial property income which is used by the organisation to deliver public value aspirations (23/24).
- The implementation of the new Integrated Facilities Management (IFM) approach has resulted in an estimated saving of £12.4m (7%) over 10 years.
- Generated £1.5m in additional new property income and achieved £4.4m in rates savings over six years, benefiting the Corporation's budgets beyond CSD. (23/24)
- Through our major programmes the department is shaping the City well into the future. This has included our work on the new London Museum site, and the new Police facilities at Salisbury Square.
- The Power Purchase Agreement solar farm generates approximately 53,500 MWh of electricity annually, meeting around 70% of the total electricity demand for CoLC.
- Property Projects Group manages 30-40 construction projects simultaneously, including the Sydenham Hill Social Housing Units, which completed all below-ground works in 2024/25.
- New Spitalfields Market supplied City Harvest with 295 tonnes of food, resulting in 705,000 meals for those in greatest need and preventing 205 tonnes of greenhouse gas emissions (23/24).
- The division manages the Old Bailey building and 18 courts, where 1,400 cases are heard annually and about 3,000 people use the facility on weekdays.
