The City Bridge Trust	6 th June 2013
Subject:	Public
Reports on Monitoring Visits	
Report of:	For Information
Chief Grants Officer	

Summary

At each of your meetings, you receive two sample monitoring visit reports. These are in addition to two substantial monitoring reports you receive annually. One of these, a report reflecting on issues arising from the monitoring and evaluation of grants was presented to your February 2013 meeting, and a statistical monitoring report looking at trends in your grant-making was presented to your October 2012 meeting.

Reports to this Committee are from a visit to Changing Faces, which has a grant under your Improving Londoners Mental Health programme; and Triangle Arts Trust, which you fund through Bridging Communities. Changing Faces is a well-known charity working to support people with facial disfigurement. You are supporting the charity to expand its network of support providers. Triangle is a Kennington-based arts organisation which you are supporting to provide community cohesion activities.
