## Main Report

### Background

1. For your information, this report lists decisions that have been determined by the Executive Director Environment and the Director of City Operations, or those so authorised under their delegated powers, between 1 September and 31 December 2024.

Project name	Project description	Gateway	Decision and date of decision
St Andrew Undershaft Churchyard relandscaping (Cool Streets and Greening Programme, and City Cluster Programme)	The St. Andrew Undershaft Churchyard relandscaping project aims to enhance the space with a focus on climate resilience measures. The scheme will also provide additional seating, improved accessibility, and increased greenery. The report sought to move to implementation of enhancement.	Gateway 5 Regular Authority to start work	Approved 09/12/2024
Bow Churchyard (Enhancing Cheapside Programme)	The Enhancing Cheapside Programme aims to improve the Cheapside area to create a greener and more welcoming environment for residents, workers, businesses, and visitors. This report focuses on the Bow Churchyard changes and, in particular, taking forward the seating and lighting elements in advance of the main planter design.	Gateway 3/4/5	Approved 19/12/2024
