Summary

This report provides an assessment of City of London Police performance against the objectives set out in the National Policing Strategy for Fraud, Economic and Cyber Crime 2023-28 for quarter 4 2024/25 (1 January 2025 - 31 March 2025).

The National Policing Strategy was launched in November 2023 and translates national strategies and objectives set by His Majesties Government into actionable measures for policing in the areas of fraud, money laundering and asset recovery and cyber. The report shows CoLP attainment against the objectives. The National Policing Strategy sets out a purpose to “improve the UK policing response to fraud, economic and cyber-crime” through three key cross cutting objectives of:

- i) Improving outcomes for victims;
- ii) Proactively pursuing offenders;
- iii) Protecting people and business from the threat of Fraud, Economic and Cyber Crime.
