CHB IC 01a	The City's Estate investment strategy is reviewed at least every three years by the Investment Committee.	The City has appointed Stanhope Capital as the outsourced Chief Investment Officer function (OCIO) reporting to the Chamberlain and covering City Fund (property) and City's Estate (property and financial investments) <u>on February 2023. Their work was completed in February 2025 but they have been retained to produce the performance dashboard.</u> The OCIO function will be advising on:		Caroline Al-Beyerty; Kate Limna	23-Apr-2025	31-Mar-2026

		<ul style="list-style-type: none"> City's Estate: asset allocation between property and financial investments City Fund and City's Estate: diversification of asset classes within appetite and appropriate pace for transition. City Fund & City's Estate: Suitable income targets. <p>The City's Estate Investment strategy is expected to be reviewed in 2024/25.</p>			
CHB IC 01b	The investment performance is measured against absolute return targets required to meet long term objectives. This is reported to the Investment Committee throughout the year and is supplemented by market insight from the Corporation's investment consultants which will assist any strategic decisions required in between the three-year formal strategy reviews.	City's Estate investment performance will be brought to each meeting of the Investment Committee for consideration.	Kate Limna	23-Apr-2025	31-Mar-2026

CHB IC 02 Targeted returns - City's Estate 08-Mar-2018 Kate Limna; Jenny Wong	Cause: Fund managers fail to achieve the targeted investment returns because <ul style="list-style-type: none"> the Committee appoints unsuitable fund managers, individual fund managers underperform against the benchmarks agreed by the Committee, aggregate fund manager performance fails to achieve the Committee's long-term targets Event: Failure to be seen to manage the fund responsibly. Effect: Supervisory intervention over management of the funds.	 Likelihood Impact	6	The performance of fund managers and their aggregate performance is reported against target to each Investment Committee. The Committee sets a diversified investment strategy to mitigate volatility and as such it expects different parts of the strategy to outperform at different times. Where relative returns are negative, Members and officers seek to understand why in order to determine whether there is continued conviction in the manager's strategy to recover performance. 23 Apr 2025	 Likelihood Impact	6	31-Mar-2026	Constant

CHB IC 07a	Reporting on responsible investment activities to the Principles for Responsible Investment is completed on an annual basis. The Committee (along with other relevant Committees/Boards) receives an annual Transparency Report from the PRI from which it can evaluate progress against responsible investment goals.	The PRI 2024 reporting period opened May 2024 and the Corporation placed its submission by the 26 July 2024 deadline. The PRI will release the results in November 2024. <u>The PRI released results for 2024 in November 2024 and this was reported to the Investment Committee on 17 February 2025.</u> <u>The PRI 2025 reporting period opens on 7 May 2025 and closes on 30 July 2025. The Corporation will be making its submission by this deadline.</u>	Kate Limna	23-Apr-2025	31-Mar-2026
CHB IC 07c	As part of the regular management and monitoring of investment mandates, the Committee and responsible officers challenge investment managers on ESG issues arising in the portfolio. The Investment Consultant reports to the Committee on its monitoring of ESG risks on a quarterly basis.	The Committee receives regular updates on ESG standings amongst its appointed investment managers from the Investment Consultant on a quarterly basis. The Committee has established new climate risk expectations for existing and potential investment managers and these form part of the regular ongoing monitoring of managers' performance.	Kate Limna	23-Apr-2025	31-Mar-2026
CHB IC 07e	There is a general commitment by the City Corporation to meeting the standards of the new 2020 UK Stewardship Code and needs to ensure compliance is developed. The Committee reviews asset stewardship across its investment mandates on an annual basis and uses the exercise to encourage better ESG outcomes amongst its existing managers (this is will need to be done in conjunction with other committees which now have investment oversight responsibilities).	All of the City's Estate's UK-based pooled fund managers (i.e. excluding the alternative assets portfolio) are signatories to the <u>UK</u> Stewardship Code.	Kate Limna	23-Apr-2025	31-Mar-2026
CHB IC 07f	The Committee (along with other relevant Committees/Boards) has been assigned several key actions which will enable the Corporation to deliver its Climate Action Strategy. Key to this is achieving a clear plan on how to achieve Paris-alignment by 2040.	With the support of a specialist external consultancy firm, an in-depth review of the climate risk exposure involving the use of scenario analysis, the development of a transition pathway consistent with a net zero by 2040 commitment, and the establishment of expectations for existing and potential mandates was undertaken. The transition pathway itself involves a series of specific actions with various deadlines which the Committee (along with other relevant Boards and Committees) will target over the coming years. The Corporation second scenario analysis will be undertaken during 2024/25 to better understand the latest risks and opportunities associated with the City's Financial investments. <u>The current pathway to net zero in 2040 and existing interim targets are currently under review and will inform actions for the period beyond 2027. These will be brought to this Committee in due course for consideration.</u>	Kate Limna	23-Apr-2025	31-Mar-2026

CHB IC 04a	Detailed due diligence is carried out when new counterparties are onboarded.	<p>Independent analysis and consultation with treasury investment advisor when adding additional counterparties.</p> <p>Where the Corporation invests in money market funds, officers monitor the funds' weekly liquidity profiles to ensure the vehicles retain adequate liquidity. At present, there are no liquidity concerns with any of the Corporation's existing fund counterparties. These funds invest in very short term and very high-quality instruments, so default risk is low.</p> <p>The Corporation's short-dated bond fund investments are more sensitive to changes in economic conditions and performance is more volatile. Short term interest rates increased during 2023 and this had a negative impact on the total returns available from the short dated bond funds. However, t The Corporation invests in these instruments on a longer-term basis (at least three years) where there is a greater tolerance for volatility in returns, and these only impact City Fund.</p> <p>Officers also continue to monitor changes in the credit standing of direct counterparties via ratings changes from the three main credit rating agencies and other news.</p>	Kate Limna	23-Apr-2025	31-Mar-2026

CHB IC 04b	When lending directly to counterparties, ensure they meet the minimum credit criteria as set out in the most recent Treasury Management Strategy Statement.	All lending is conducted within the parameters of the current 2024/25 <u>2025/26</u> Treasury Management Strategy Statement & Annual Investment Strategy (relating to Treasury Management) (TMSS) as agreed by Court of Common Council (CoCo Co) on 7-March-2024-6 <u>March 2025</u> . Additionally, officers have implemented financial metric-based criteria for determining the eligibility of local authority borrowers. When onboarding new financial institutions, officers review banks' financial standing including standard financial reporting ratios for assessing capitalisation and liquidity.	Kate Limna	23-Apr-2025	31-Mar-2026
CHB IC 04c	Monitor markets regularly through credit rating updates and financial publications, plus seeking the advice of treasury investment advisors when appropriate	Officers continually monitor for credit rating updates as well as the financial press and industry publications in search of any news regarding the Corporation's counterparties. Treasury investment advisors provide rating agency credit watches and other market data including Credit Default Swap prices on money market participants.	Kate Limna	23-Apr-2025	31-Mar-2026
