### Summary

The Annual Report sets out City of London Police’s achievements against the Policing Plan for 2024-25. It contains information on crime, financial and staff statistics, as well as a summary of performance and highlights throughout the year.

It will be officially published after it has been presented to the Court of Common Council.

Due to the cost of production, a decision was made in 2017 for the Annual Report to be viewed online only and accessible via the City of London Police website. This year’s report has again been produced in-house at no cost. The Annual Report is in keeping with the approach adopted in recent years and is a short, compact document.

Following consultation with Members at the Police Authority Board meeting in May of the draft report, revisions and changes have been made to the final version.

### Recommendation

Members are asked to:

- Approve the City of London Police Annual Report 2024-25 for onward submission to the Court of Common Council where it is presented by the PAB Chair for information.
