Your benefit options

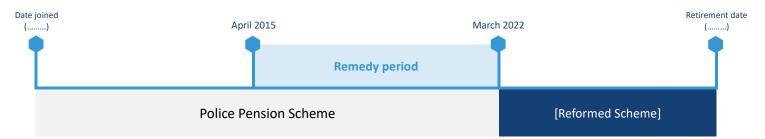

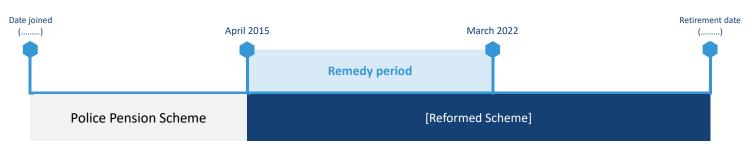

AS YOU WERE A MEMBER AFFECTED BY REMEDY, YOU WILL HAVE A CHOICE ABOUT WHICH BENEFIT TO TAKE WHEN YOU RETIRE.

In this statement we have shown your current benefits and the benefits you could choose when you retire. **You do not need to make a decision now,** but you may want to think about how each option might impact your benefits and contributions to the scheme.

At a glance

HERE'S A SUMMARY OF YOUR CURRENT ACCRUED BENEFITS AT 31/03/2025. THESE FIGURES ASSUME THAT YOU REMAIN IN PENSIONABLE SERVICE AND DO NOT TAKE THEM UNTIL AGE 60.

| | ■ Benefits | |
|--|-------------------|-----------------------------------|
| Annual pension before commutation | £ | See section 'Your benefits' |
| Automatic lump sum | £ | See section 'Your benefits' |
| Annual pension payable to your spouse / partner in the event of your death | | See section 'Your death benefits' |

As a result of rollback to your legacy scheme, you have a contribution adjustment of:

| | Contribution adjustment | |
|-------------------------|-------------------------|-----------------------------|
| Contribution adjustment | £ | See section 'Contributions' |

There are a number of factors which affect the benefit or contribution figures shown above. Decisions you make when you reach your normal pension age (age 60), or if you take some or all of your pension before this time, and when you choose to make your contribution adjustment will all have an impact, so these figures are likely to be different. See supporting pages for more details, plus details of tax and adjustments that may be made to your pension in section 'Tax and adjustments'.

These figures assume that:

Your death benefits at 31 March 2025

If you die as an active member of the PPS 2015, the scheme also provides benefits for your spouse/partner. Death benefits are based on the scheme where you are an active member (PPS 2015).

Lump sum

You can nominate who you would like to receive a death in service lump sum of three times your actual final pensionable pay. The scheme manager will however consider all relevant beneficiaries when making the payment.

| Lump sum: | £ |
|-----------|---|
| Lump sum: | ± |

You can nominate who you would like to receive your death in service lump sum.

To make or change a nomination, please make the necessary amendments via the Online Member Portal, or visit https://police.cityoflondonpensions.org/resources/ to download the nomination form.

Pension

An annual pension may also be paid to your partner.

| DIS Pension a year: | £ |
|---------------------|---|
| | |

Your partner's pension will be calculated based on your partnership status at the date of your death. The amount payable is equal to half the annual pension. This will be reduced if your partner is more than 12 years younger than you.

Unmarried partners are excluded from receiving 1987 beneficiary pension benefits built up under your 1987 scheme membership during or before the remedy period.

Your projected benefit summary at normal pension age (age 60)

Your benefits will continue to build up if you continue in pensionable service. Below we have shown what they could be at age 60.

Pension

In the PPS 1987 you will have the choice to exchange or 'commute' up to 25% of your pension for a lump sum. If you choose to do this, the annual pension you receive would be less.

You will have the choice to exchange or 'commute' up to 25% of the *total value of* your PPS 2015 pension for a lump sum. If you choose to do this, the annual pension you receive would be less. We have shown a comparison of these options on the following pages.

Contributions

As part of remedy, you have been put back into the PPS 1987 for your pensionable membership during the remedy period. You were previously building up pension in the PPS 2015 for some or all of this period.

The contributions in the PPS 1987 are higher than the PPS 2015. This means that you owe money to reflect the difference. This is known as a 'contribution adjustment'.

You can pay your contribution adjustment:

Within 12 weeks of receiving your ABS RSS (this document)

OR

- At retirement it can be taken from any pension benefits.

The above figure is an estimate. Your contribution adjustment will be calculated again based on the date the payment is actually made.

| Your contribution adjustment is made up from | | | | |
|--|--|---|---|--|
| Α | Contributions already paid | £ | Gross contributions already paid in the remedy period | |
| В | Contributions due as a member of PPS 1987 | £ | Gross contributions that should have been paid as a member of PPS 1987 for the remedy period. | |
| C (B-A) | Difference in contributions | £ | This is the difference between what you have already paid for the remedy period and what you would have paid as a member of PPS 1987. | |

Your contributions need to be adjusted to account for interest. At the date of this statement, these would be as follows:

| D | Interest | £ | Interest on the contributions that are due at the date of this statement. |
|------------|------------------------------|---|---|
| E (C+D) | Your contribution adjustment | £ | |

At retirement

If you make the contribution adjustment as an active member before you retire and then you choose PPS 2015 benefits at your retirement, you will be owed contributions at your retirement.

If you do not make the contribution adjustment before you retire, and you choose:

- to keep PPS 1987 benefits at your retirement you will owe contributions; or
- PPS 2015 benefits at your retirement, you will **not owe** anything further.

Tax relief and interest

Interest will accrue on contributions owed up to the date of payment.

You will receive tax relief on your contributions. Your status at the time of making the contribution adjustment may affect the method of tax relief.

More information about tax and interest can be found in the member factsheet for contribution adjustments
at: https://policepensioninfo.co.uk/wp-content/uploads/2024/01/NPCC-Member-Remedy-Factsheet-Contributions-adjustments.pdf

Tax and adjustments to your pension

Tax on your pension and lump sum

A portion of your lump sum from the PPS 1987 could be taxed, depending on the amount you select to commute.

The lump sum from your PPS 2015 benefits would be paid tax free.

When you receive your pension, it will be taxed in the same way as your salary.

Annual allowance

The government sets some limits about how much pension you can build up without incurring a tax charge. You can find out the amount of pension you have built up during the year on your online account, or from your administrator.

You will be sent a Pension Savings Statement by 6 October 2025 if you are affected by the annual allowance:

- During the remedy period;
- For the 2022/23 tax year; or
- For the 2023/24 tax year.

Lump sum allowance

From 6 April 2024, the lump sum allowance replaced the lifetime allowance.

The lump sum allowance fixes the maximum tax-free lump sum that can be paid on retirement at £268,275 unless a relevant protection certificate is held for a higher amount.

Any lump sum payment exceeding the lump sum allowance will incur a tax charge.

The lump sum figures quoted in this statement are before any tax charges applicable have been applied.
