**Subject:** RE: Full Variation of Premises Licence Application - Eadn, 2 Old Change Court, London, EC4M 8EN

Dear Colleagues,

On behalf of the City of London Police, **I object to this application** on the basis that we believe that it will undermine the licensing objectives specifically crime and disorder and public nuisance.

They have already been issues of both crime and disorder and public nuisance at the venue under the current operator. Allowing the venue to hold promoted events will increase the risk of both crime and public nuisance due to the operator ceding control to a third party. The venue management are already struggling to operate the venue on the current licence and have failed to demonstrate that they will be able to run promoted events safely and without further undermining the licensing objectives.

Kind Regards

Daniel
