No	Committee Date Raised	Initial Request and Pending Actions	Responsibility	Due Date	Progress Update
1	19/06/2025	**Corporation Childcare Policy and Family Service Arrangements:** Refer the remainder of the policy back to Officers to thoroughly reflect the requests from this committee as to alternatives - (for example meeting the broad policy objectives set out by a differential pricing model in affordable childcare at the Aldgate School) Seek the presentation at a future meeting of this committee of alternatives in the childcare policy which allow members to vote transparently on the future support for, or withdrawal of funding for affordable childcare to the Aldgate School.	Strategic Education and Skills Director	June 2026	Policy approved by Members on 19/06/25. City subsidy of 0-2 childcare extended to The Aldgate School until 31/08/27. Sustaining 0-2 childcare at The Aldgate School is a decision for the governing body. Corporation officers remain available to support financial modelling to achieve a sustained offer for residents. Report on the position coming to CCS Committee in March 2026, earlier than originally planned at the request of Members.
2	17/09/25	**Housing Services Asset Management Strategy:** To refresh the strategy in early 2026 following completion of the full stock condition survey programme.	Director of Housing	Quarter 2 2026/2027	Once the stock condition is complete – we have achieved 83% (16 June 2026) completion and are in the process of a final push to increase this further. Quality assurance is ongoing. We are looking to meet internally to assess the data in early July and then work through it with colleagues in Chamberlains. We then need to look at updating the asset management strategy. We intend to hold meetings at our largest estates to discuss the findings of the stock condition survey on an estate basis, when we are able. The stock condition survey is being used in real time for example instances of damp and mould discovered during surveys have been reported to the repairs team for
