To whom it may concern,

I write in regard to the application by the Cos Bar of St Andrew's Hill to extend its licence until 3am.

I own and live in [REDACTED] St Andrew's Hill which is directly above the Cos Bar. The music from the bar can be heard very loudly in our flat, but as it normally ends at 11pm we do not find this a problem.

I have just discovered that I am expecting my first baby in December of this year, and having music until 3am would be intolerable. I think it would force us to move, which i do not want to do. I have lived in my flat for seven years and very much want to stay here.

Yours faithfully,

Bernadette Smith
