<b>Recommendation</b>	
<p>That Members receive this report and note its contents.</p>	

### **Main Report**

Since your last meeting variation to the two grants outlined below has been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

#### **Westminster Society for People with Learning Disabilities**

In June 2011 you awarded the above £120,000 over three years for a series of activity-related projects for young people. For staffing and logistical reasons the organisation was unable to deliver one of the component activities in the first year and, as it is unable to carry forward this as an additional activity into year 2, the unspent element of the grant (£7,500) has been revoked, with £32,500 now payable in year 2.

#### **Young Foundation/Uprising**

In January 2012 a grant of £120,000 was awarded to the Young Foundation to help establish and support the Uprising project as a separate, independent, body. Uprising became a separate charity as of April 2013 and, in keeping with the original grant award, the balance of £60,000 for the remaining 1.5 years is now to be paid directly to Uprising.
