Main Report

Since your last meeting variation to the two grants outlined below has been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

Barnet Law Service

In July 2009 you awarded the above £90,800 for a service supporting mental health charities. £800 of the grant was earmarked for recruitment costs which weren't needed in the end, so has been revoked.

Action for Advocacy

In April 2013 you awarded £24,000 over one year for a p/t post to map advocacy services in London provided by small, BME, organisations. The grant was held pending confirmation of essential core funding from other sources. Sadly this never materialised, leading to the grant subsequently being revoked.
