Subject:	Public
Reports on Monitoring Visits	
Report of:	For Information
Chief Grants Officer	

Summary

At each of your meetings, you receive two sample monitoring visit reports. These are in addition to two substantial monitoring reports you receive annually. One of these, a report reflecting on issues arising from the monitoring and evaluation of grants was presented to your February 2013 meeting, and a statistical monitoring report looking at trends in your grant-making was presented to your October 2012 meeting (you will receive the next update at your November 2013 meeting).

Reports to this Committee are from visits to Pirate Castle and to Toucan Employment. Both work with disabled young people. Pirate Castle, which is funded under your Accessible London programme, provides sports activities on the Grand Union Canal, whilst Toucan Employment supports young people with learning disabilities to develop employment-related skills and is funded through your Positive Transitions to Independent Living programme.
