Main Report

Background

1. As a corporate body all decisions are vested in the Court of Common Council. To facilitate the administration of the City Corporation’s many and complex functions, the Court delegates the majority of its functions to its committees and officers. The committee terms of reference set out the functions delegated to committees whilst the Scheme of Delegations sets out those functions which have been delegated to officers.

Scheme of Delegations

2. The Scheme of Delegations has recently been reviewed and a number of changes are proposed which on the whole reflect changing legislation, amendments to corporate policy and operational needs. A copy of the revised Chief Officer delegations relevant to this Committee is attached as an appendix to this report. Whilst none of the changes involve a significant new delegation of powers, where new powers are proposed for delegation, these have been highlighted.
3. A full copy of the Scheme is available for Members to view in the Members' Reading Room and is also available on request.
4. The Policy and Resources Committee are responsible for the review and co-ordination of the City Corporation's governance arrangements which includes amongst other things, committees and Standing Orders.

Corporate & Strategic Implications

5. The proposed changes to the Scheme of Delegations and Standing Orders are intended to support the effective governance of the City of London and ensure that decision making is effective and transparent.
