In conjunction with the survey company the group has developed a set of questions which, it was hoped, would help inform where specific improvements may be needed in the public convenience service. The survey would take place in February with results being shared with the working group and reported back to this Committee thereafter with recommendations to progress forward</p> <p>March Update The 'field work' for the survey was completed in mid-February. From this an analysis of the data needs to be undertaken to produce an outcome report of the findings. This is expected to be completed in early March with a presentation to be arranged for the Member/ Officer working following.</p>
<p>2 July 2013</p>	<p>Materials Recovery Facility (MRF) in Kent - It was agreed that a visit to this facility would be arranged.</p>	<p>Director of the Built Environment</p>		<p>A visit has been arranged for 11 April 2014</p>
