The City Bridge Trust Committee	19 June 2014
Subject:	Public
Reports on Monitoring Visits	
Report of:	For Information
Chief Grants Officer	

Summary

You receive two sample monitoring visit reports at each of your meetings. These are in addition to the two substantial monitoring reports you receive annually. One of these, a report reflecting on issues arising from the monitoring and evaluation of grants was presented to your February 2013 meeting whilst a statistical monitoring report looking at trends in your grant-making was presented to your November 2013 meeting.

Reports to this Committee are from visits to Fight for Change and Ambitious About Autism (AAA). Fight for Change was awarded funding under your Bridging Communities programme, whilst AAA received a grant under your Positive Transitions to Independent Living programme.

You support Fight for Change's leadership work with young people. This work uses boxing to teach discipline and to encourage achievement. The visit involved the opportunity to see some work in action.

Your grant to AAA supports their work with young people on the autistic spectrum. This highly-regarded charity is running a programme in North London that is attracting considerable interest from local authorities who may want to replicate the approach.

Recommendation

That Members receive this report and note its contents.
