Recommendation	
That you receive this report and note its contents	

Withdrawn Applications:

Organisation

Purpose of Request

Shpresa Programme

“To deliver culturally sensitive mother tongue psychotherapy for Albanian-speaking refugee women addressing complex issues of violence, sexual assault and ethnic identity”.

Organisation has withdrawn this application as it wishes to submit a revised proposal.

St Augustine's Community Care Trust

“Additional staffing for our new, purpose designed day care respite centre to care for more people over 75 at the centre each week”.

Application withdrawn following advice to the organisation that it was ineligible to apply for this purpose until June 2015.

Lapsed Applications:

LIFT

“Reimagining Access: a residency by the learning disabled theatre ensemble Back to Back at the V&A, exploring learning disabled access and responses to museum collections”.

The organisation has been unable to provide necessary paperwork required within a suitable

timeframe, hence this application has been lapsed.

**Polish and Eastern European
Christian Family Centre**

“We would like to run a weekly group for Polish seniors after 75 and above to make their lives more active and reduce their isolation”.

Following the assessment visit by your officer in March 2014 the organisation has failed to provide the additional information requested to complete the assessment process to your required standard.
