Main Report

Since your last meeting variations to the grant as outlined below has been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

Hestia Housing & Support

In April 2013, £50,000 over three years, was awarded to Hestia Housing & Support (Hestia) for a programme aiming to engage isolated and vulnerable older people using GP surgeries. The grant was conditional on Hestia raising match funding of £50,000. On 5 June 2014, Hestia contacted City Bridge Trust to advise that match funding had not been raised; furthermore, Hestia advised that Age UK had been awarded a grant to deliver a similar project. As Hestia believes it is unlikely that match funding will now be secured for a project that appears to be duplicative, it has requested that the grant offer be withdrawn.
