

Progress against Port Health & Public Protection Key Objectives 2014-2015

Ref:	Objective	Progress to date
1	Implement the Health & Safety Intervention Plan.	<p>Period 1: April – July 2014</p> <ul style="list-style-type: none"> • Ongoing. The Plan received Committee approval on 15 May 2014.
2	Ensure a consumer focused food law enforcement program is implemented based upon the FSA's national Framework Agreement and Food Law Code of Practice.	<p>Period 1: April – July 2014</p> <ul style="list-style-type: none"> • Ongoing. The Food Safety Enforcement Plans for the City and the London Port Health Authority received Committee approval on 15 May 2014.
3	Prepare for and implement changes arising from Service Based Reviews.	<p>Period 1: April – July 2014</p> <ul style="list-style-type: none"> • Port Health - good progress is being made on the tasks agreed by the Assessment Panel which include use of IT for mobile working, review of charges, property matters and shared procurement for Launch fuel and maintenance with other statutory bodies. • The full submission for the service has been agreed with the Committee Chairman and Deputy Chairman. • The Chief Officer and PH&PP Director attended the Star Chamber and subsequent meetings. • Awaiting decision of Policy & Resources Committee in early September.
4	Implement and embed new legislation and adapt to revisions to existing legislation.	<p>Period 1: April – July 2014</p> <ul style="list-style-type: none"> • Ongoing in line with the new Regulators' Code. • Regular updates made to Imported Food legislation are brought to the attention of Port Health staff so that changes may be implemented and ISO procedures updated. • New street trading legislation has been fully embedded within current policies and procedures. Members of staff have received appropriate training. Two ice cream vans have been seized and a further crackdown planned.
5	Prepare for potential implications of new EU Animal Health legislation around importing animals as baggage rather than freight, including the possible requirement for the construction of additional facilities.	<p>Period 1: April – July 2014</p> <ul style="list-style-type: none"> • Confirmation is awaited from the Animal Health and Veterinary Laboratories Agency (AHVLA) and the airlines that they have finalised and agreed their new processes for the importation of animals as baggage.

<p>6</p>	<p>Revise the City Air Quality Strategy to reflect the latest evidence of the impact on health, additional action required to meet air quality limit values, and the new public health responsibilities of the City Corporation.</p>	<p>Period 1: April – July 2014</p> <ul style="list-style-type: none"> • An informal consultation is underway regarding additions to the revised Air Quality Strategy. Key aims for the new document have been put to the PH&ES Committee, Health and Wellbeing Board and Supporting London Officers Group. The revised Strategy is due to be submitted to PH&ES Committee for consideration and subsequent consultation during Period 2 (Aug-Nov 2014). • A “London Air Quality Reception” was held at Mansion House on 29 July. The event was addressed by the Lord Mayor and the Mayor of London.
