Main Report

Since your last meeting variation to the three grants outlined below has been agreed by the Chief Grants Officer, in line with the revised delegated procedure for the amendment of grants as agreed by your Committee in October 2004.

Epic Arts

In May 2011 a grant of £32,270 over three years was awarded to the above for a programme of activities and workshops. The final report showed an underspend of £1,150 which the charity no longer required and so was written back.

Strategic Initiative – Charterhouse

In January 2013 you approved a sum of £152,000 towards the organisation of the City Philanthropy Exhibition. On final calculation, the sum used amounted to £22,590 less than the grant awarded – hence that amount has been written back.

Strategic initiative – Charterhouse

In June 2013 a grant of £15,000 was made towards the costs of producing a book on City Philanthropy (to accompany the Exhibition mentioned above). In the event, no more than £7,784 was required hence the balance of £7,216 was revoked.
