### Summary

You receive two sample monitoring visit reports at each of your meetings. These are in addition to the two substantial monitoring reports you receive annually. One of these, a report reflecting on the monitoring and evaluation of “Working with Londoners” grants was submitted to your September 2014 meeting whilst a statistical monitoring report, also looking at the “Working with Londoners” programmes, was submitted to your July 2014 meeting.

Reports to this Committee are from visits to Depaul UK, funded under your programme for Positive Transitions to Independent Living, and Single Homeless Project, supported through your programme for London’s Environment.

You supported Depaul UK to work with care leavers who have been involved with the criminal justice system, supporting them to develop their skills and to avoid homelessness.

Your grant to Single Homeless Project has led to a range of gardening activities to clients with substance misuse problems.
