Main Report

Background

1. The Town Clerk is responsible for submitting an Annual Schedule of Visits to each of the open spaces Grand Committees that sets out dates on which Members are invited to visit the areas that fall under the remit of their Committee.
2. Underpinning each Annual Schedule is the recognition that the ability to undertake site visits plays a key part in helping Members to understand the variety and complexity of issues that affect each of the City of London's Open Spaces.

Current Position

3. Each Annual Schedule is based upon that of the preceding year. Each schedule assumes that Members are content to undertake weekday visits to all sites, except for those on the Epping Forest & Commons Committee who have traditionally held their visits on Saturday mornings.

4. Members of the Open Spaces and City Gardens Committee have the option of attending all of the Grand Committee visits, given that Committee has strategic oversight of the Open Spaces Directorate as a whole.
5. Whilst the Town Clerk will organise transport to and from each site visit, Members are asked to acknowledge that in some cases public transport will be the more appropriate option.

Implications

6. The Town Clerk's Department will continue to organise and pay for Member transport to and from site visits, except for when public transport is the more viable option.

Conclusion

7. Committee site visits to each of the City of London's open spaces play an important part in helping Members understand the various issues affecting the sites for which they are responsible. An Annual Schedule of Visits is an important tool in ensuring a framework is in place to guarantee these visits take place in a consistent manner.
