

Safer City Partnership – Progress Against Targets: 2014/15 Q3

<b>Priority: Anti-Social Behaviour</b>			
<b>Target:</b>	<b>2014/15 Q3 Target</b>	<b>2014/15 Q3 Actual</b>	<b>Comments:</b>
Proportion of new rough sleepers take up of No Second Night Out	70%	<b>49%</b> (Red)	19 out of 39 = 49% Down from 76% at the end of 2014/15 Q2.
To reduce the number of “205 clients”. Defined as a group identified by the GLA as the most entrenched rough sleepers in the capital who remain rough sleeping by the end of March 2015.	0	<b>4</b> (Amber)	Down from 13 the end of 2014/15 Q1 and 7 at the end of 2014/15 Q2.
No one new to rough sleeping on the streets will end up living on the streets	0	<b>5</b> (Amber)	5 remained rough sleeping long enough to be deemed ‘living on the streets’ Up from 4 at the end of 2014/15 Q2, but down from 7 at the end of Q1.
To reduce the number of ASB incidents compared to 2013-14.	<928	<b>864</b> (Green)	April – December 2013: 928 April – December 2014: 864 <b>Decrease of 64 incidents.</b>
To support the City of London Police measure: To ensure that 90% or more of crime victims and those reporting ASB are satisfied with the way police handled their case.	90%	<b>91.0%</b> (Green)	<b>71 out of 78 respondents satisfied = 91.0%</b> Q1: 24 out of 27 respondents satisfied (88.9%) Q2: 25 out of 29 respondents satisfied (86.2%) Q3: 22 out of 22 respondents satisfied (100.0%)

Safer City Partnership – Progress Against Targets: 2014/15 Q3

Priority: Domestic Abuse			
Target:	2014/15 Q3 Target	2014/15 Q3 Actual	Comments:
DA Forum Action Plan City of London DA MARAC			<p>In January the team involved in creating the Behind Closed Doors event came together to debrief. They identified the positive outcome and will go ahead and re-produce this event in 2015.</p> <p>Additionally, training has been created for police officer and other services to make them aware of domestic abuse, risk assessment, MARAC and the role of the Vulnerable Victims Co-ordinator. Alter Ego have been used again to give depth and context to the realities of domestic abuse.</p> <p>The City of London MARAC co-ordinator has met with other co-ordinators from across London to discuss Domestic Violence Protection Notices/Orders and the implementation of the Domestic Violence Disclosure Scheme. In the case of the latter, there is a panel that makes the decision around whether someone in a relationship with a perpetrator of domestic abuse has the 'right to know' that this is the case.</p> <p>The Community Safety Officer with the Lead on domestic abuse has been strengthening partnerships with community and voluntary sector services such as Assent (who are now a member of the Domestic Abuse Forum), City Advice, Stonewall Housing's LGBT* IDVA and the Pan-London LGBT* Domestic Abuse Partnership.</p> <p>The Community Safety Team inputted into the Domestic Abuse Review completed by Nicole Vincent to help strengthen our partnerships, operational practice and prevent and protected people experiencing domestic abuse.</p> <p>MARAC and pre-MARAC meetings have been organised for 2015. Two new Co-Chairs have been trained by CAADA: Anna Rice and John Osibote. The MARAC Co-ordinator will work the Chairs and partners to look at continuing to strengthen the work we do in MARAC. We have organised an assessment of the MARAC by CAADA to take on 14<sup>th</sup> April 2015.</p>

Safer City Partnership – Progress Against Targets: 2014/15 Q3

			<p>The Community Safety Officer with the Lead on domestic abuse has met with the Public Protection Unit to review the Domestic Abuse Forum Action plan. An update will be presented at the next Domestic Abuse Forum on 20<sup>th</sup> March.</p> <p>The Community Safety Team and the Public Protection Team have begun meeting as part of Operation Makesafe, which focuses on preventing Child Sexual Exploitation working with communities, licensed premises, hotels and schools.</p> <p>On 6<sup>th</sup> March the Community Safety Team will be attending and giving out information at an event celebrating International Women's Day.</p>

Safer City Partnership – Progress Against Targets: 2014/15 Q3

Priority: Reducing Re-offending			
Target:	2014/15 Q3 Target	2014/15 Q3 Actual	Comments:
Due to small numbers for the City, current Home Office measures for re-offending do not produce statistically significant results. Therefore for 2014/15 we will continue to report on the number of people on the PPO scheme and their progress.	N/A	N/A	<p>At the PPO Panel meeting held on 21/01/15, 2 PPOs were removed from the scheme (both deported) and 2 new PPOs were added to the City scheme. Therefore as from 21/01/15 there are:</p> <ul style="list-style-type: none"> <li>• 7 PPOs on the scheme:</li> <li>• 3 Currently in prison (including on remand)</li> <li>• 4 On bail conditions (including on licence and ASBO)</li> </ul> <p>We will seek to build on the current PPO scheme to ensure our priority offenders are targeted and worked with to reduce offending.</p>
Increase the number of violent offenders who are drug tested in 2013/14 compared to 2012/13. This target will continue through 2014/15.	>10	<b>20</b> (Green)	<p>April-Dec 2013: 10 persons tested out of 194 arrested for Violence Against the Person [VAP] (5.2%).</p> <p>April-Dec 2014: <b>20 persons tested out of 197 arrested for VAP (10.2%)</b></p>

Safer City Partnership – Progress Against Targets: 2014/15 Q3

<b>Priority: Road Danger Reduction</b>			
<b>Target:</b>	<b>2014/15 Q3 Target</b>	<b>2014/15 Q3 Actual</b>	<b>Comments:</b>
Achieving a reduction in the number of killed or seriously injured (KSI's) of the baseline of 2004-2008 (49.4) figures by 50% by 2020 (24.7 three year rolling average) (See CoL LIP 2011)	<u>2013/14Q4</u> Q1 – 9.1 Q2 – 9.1 Q3 – 9.1 Q4 – 9.1	<u>11</u> - - - (Green)	Of the 2014/15 Q2 KSIs, 1 fatal and 18 serious.
Reduce the proportion of KSI's as a proportion of the total number of collisions. 2004-08 total collisions – 322.5 2004-08 KSI 49.4 15.3%	<u>2013/14Q4</u> Ave 11.6% Q1 Q2 Q3 Q4	<u>10.9%</u> - - - (Green)	
Making the city more civilised and a more tolerant environment for all road users. Delivered by combination of environmental changes, enforcement and education, training and promotion.	To be developed	15 Children	For 2013/14 Cycle training - 132 persons trained, being 39 adults and 93 children Bikeability level 2 - 114 (22 adults and 92 children) Bikeability level 3 - 18 at (17 adults and 1 child). *Schools are engaged more actively from September*
Increase the number of cyclists - Measured by achieving an annual average of 62,800 cyclists by 2020. Annual Survey. (See CoL LIP 2011 p. 80)	2013/14 38 150	-	2014/15 Q1 Actual: 2012/13 Q3 actual: 28 360 (target for 2012/13 Q3 was 32 500). Comments: Next count to be conducted in October 2014 (2014/15 Q3).

Safer City Partnership – Progress Against Targets: 2014/15 Q3

Priority: Fraud And Economic Crime			
Target:	2014/15 Q3 Target	2014/15 Q3 Actual	Comments:
<p><b>Operation Broadway</b> is an initiative led by the Economic Crime Department, working in collaboration with regulatory and law enforcement agencies ( City of London Trading Standards, Scam Busters, Her Majesty’s Revenue &amp; Customs, Financial Conduct Authority and the Metropolitan Police Service) aimed at tackling criminals committing investment fraud ( boiler rooms), operating within the City of London.</p>			<p>There were 10 presentations / stakeholder engagements during 2014/15 Q3 (<i>under Prevent and Protect</i>):</p> <ul style="list-style-type: none"> <li>• 2 of these were to directors of companies who provide serviced and virtual office facilities;</li> <li>• 5 were joint presentations with Trading Standards, to sales staff and managers ( 82 people in total);</li> <li>• 1 to London Trading Standards (LOTSAs) Managers ( 32 London boroughs);</li> <li>• 1 to Head of fraud dept. MPS – who are now going to pilot Op Broadway in one of their boroughs, with a view to rolling it across all their borough;</li> <li>• 1 to Devon and Cornwall Constabulary and Trading Standards South West, who recognise that if Broadway is successful, criminals will seek to set up in other cities elsewhere.</li> </ul> <p>There were 4 deployments in 2014/15 Q3 resulting in:</p> <ul style="list-style-type: none"> <li>• 2 x Enforcement action</li> <li>• 5 Arrests</li> <li>• 2 Disruptions</li> </ul>

Safer City Partnership – Progress Against Targets: 2014/15 Q3

Priority: Counter Terrorism			
Target:	2014/15 Q3 Target	2014/15 Q3 Actual	Comments:
The Safer City Partnership will continue to support the City of London Police with existing sophisticated initiatives and with the development of new areas of work to address any emerging trends for countering terrorism.			<p>The Secretary of State has issued guidance in line with the Counter Terrorism and Security Bill to those bodies on how the duty should be fulfilled. The Bill is due to be enacted in the near future.</p> <p>The Secretary of State will have the power to take direct action to enforce compliance where the Secretary of State is satisfied that a body has failed to discharge the duty. These directions would be enforceable by a court order. The Community Safety Manager is the designated lead for Prevent Duty on behalf of the City Of London Corporation.</p>

Priority: Civil Disorder			
Target:	2014/15 Q3 Target	2014/15 Q3 Actual	Comments:
To support the City of London Police's measure: To ensure that at least 90% of those surveyed are satisfied with the information received provided to them about large scale, pre-planned events, and with how those events were ultimately policed.	>90%	91.8% (Green)	<ol style="list-style-type: none"> <li>1. 350th Anniversary – Royal Marines (July 14): <b>94% satisfaction.</b></li> <li>2. Tour of Britain cycling event (Sept 2014): <b>95.3% satisfaction</b></li> <li>3. Lord Mayor's Show (Nov 2014) <b>86.1% satisfaction</b></li> </ol> <p>Future events to be included in satisfaction surveys will include:</p> <ol style="list-style-type: none"> <li>4. Pre-planned and spontaneous protests at the Central Criminal Court</li> <li>5. Any other major protests</li> <li>6. Smithfield Meat market Christmas campaign.</li> </ol>

Safer City Partnership – Progress Against Targets: 2014/15 Q3

<b>Priority: Night time Economy</b>			
<b>Target:</b>	<b>2014/15 Q3 Target</b>	<b>2014/15 Q3 Actual</b>	<b>Comments:</b>
To support the City of London Police's measure: To reduce levels of victim-based violent crime compared to 2013/14.	<491	<b>549</b> (Red)	April to Dec 2013: 491 victim based violent crimes recorded. April to Dec 2014: 549 victim based violent crimes recorded. <b>Increase of 58 offences (+11.8%)</b>
To support the City of London Police's measure: To reduce levels of victim-based acquisitive crime compared to 2013/14	<2797	<b>2732</b> (Green)	April to Dec 2013: 2797 victim based acquisitive crimes recorded. April to Dec 2014: 2732 victim based acquisitive crimes recorded. <b>Decrease of 65 offences (-2.3%)</b>
To support the City of London Police measure: To actively promote, with partners, effective stewardship and crime prevention activities within licensed premises			The Community Safety Team attends the Violent Crime Multi-agency Problem Solving group (SARA). This incorporates actions and information associated with Night Time Economy including Licensed Premises and Anti-Social Behaviour.

<b>Delivery Group: Vehicle Crime Partnership</b>			
<b>Target:</b>	<b>2014/15 Q3 Target</b>	<b>2014/15 Q3 Actual</b>	<b>Comments:</b>
A vehicle crime Multi-agency problem solving group (SARA) is being led by a DCI to address an increase in Vehicle Crime (including theft from car parks). As a result of development of good intelligence high visibility policing and a number of operations are being implemented. Support is being provided by the Community Safety Team and other City Corporation departments. There is a separate Cycle Crime SARA in place to address the theft of pedal cycles and parts of pedal cycles.			

Safer City Partnership – Progress Against Targets: 2014/15 Q3

<b>Delivery Group: The City Hotel Forum</b>			
<b>Target:</b>	<b>2014/15 Q3 Target</b>	<b>2014/15 Q3 Actual</b>	<b>Comments:</b>
To work with staff that manage hotels and offer them the help and advice available to them			DCI Blackburn held an initial meeting with the Grange Hotel to discuss a crime awareness toolkit for Hotels. As of September 14 one of the Community Safety Officers has been allocated lead responsibility for the Hotel Toolkit and to work closely with the DCI to produce a draft. This has now been completed. The final draft of the toolkit has gone to Heads of Service at the City of London Police for final sign off. We are currently waiting for two Heads to sign off. Once this has been done the Hotel Toolkit will be ready to be printed and promoted.
To involve hotel staff in the decision making process and encourage participation with the help of e-bulletins, monthly meetings and an information folder.			This is currently being developed by the City of London Police and the Community Safety Team.
To offer practical support and training, for example, crime scene management – with the help of the City of London's Public Protection Unit and management of the night time economy.			This will be progressed once the above meeting has taken place.
To develop the network and communicate with its members on a regular basis.			The Community Safety Officer is working with the City of London Police in relation to this.
Develop bespoke materials aimed to support those working within the Hotel sector who may need to respond to crime, ASB or other incidents.			The Hotel Toolkit will provide appropriate information on how to respond to Crime and ASB, including Theft, Sexual Violence, Prevent and Counter Terrorism, Substance Misuse, Domestic Abuse, FGM, Stalking, HBV, Human trafficking and Slavery.
