Port Health & Environmental Services Committee – Outstanding Actions

Item	Date	Action	Officer responsible	To be completed/ progressed to next stage	Progress Update
1.	8 January 2013	Service Based Review Savings Programme – Public Conveniences	Director of Transportation and Public Realm	September 2015	In January 2015, Members agreed that the previously proposed savings regarding the provision of Public Conveniences should be reconsidered. It was agreed that the possibility of providing a non-statutory service of Public Conveniences through City's Cash funding be investigated and details of the investigation be reported at the next appropriate Committee meeting. May 2015 Update Members agreed that the funding of the Public Convenience service was not an appropriate use for City's Cash. In line with the SBR programme, Blackfriars, Aldgate, Bishopsgate and Smithfield toilets are now closed. The revised standardised opening times are now in place for the remaining toilets. Work is progressing for the improvement of the signage across the City and will be

					installed over the next 3-6 months due to the bespoke design of way finders. Progress is being made on the relocation of the APC from Aldermanbury to Smithfield.
2.	20 January 2015	Prudent Passage, EC2	Assistant Cleansing Director	Ongoing	Prudence passage is currently swept once a day, it has cigarette bins fitted and signage in place, our Street Environment Officers (SEO) patrol the area regularly and speak to smokers to encourage responsible behaviour, SEO's issue FPNs and request ad hoc sweeps from Amey when the passage is found to heavily soiled. Amey managers have been asked to monitor the passage for a month and advise if it requires extra scheduled cleansing. This monitoring has resulted in a Street Cleansing Flushing team being scheduled to attend Prudent Passage every Monday morning to check and remove any anti-social
