Subject: Review of the Governance Arrangements implemented in 2011	Public
Report of: Town Clerk on behalf of the Post Implementation Governance Review Working Party	For Decision

Summary

The Court has agreed that a Working Party should be established to undertake a post-implementation review of the revised governance arrangements agreed in March 2011 after twelve months of their operation, to take stock of the new governance arrangements and how they are working.

The purpose of this report, prepared on behalf of the Working Party, is to seek comments, if any, from each Committee on the governance arrangements introduced last year and the impact that they may have had on the operation of your Committee.

It is recommended that this Committee considers whether it wishes to make any representations to the Working Party on the revised governance arrangements in so far as it affects this Committee.

- It is recommended that this Committee considers whether it wishes to make any representations to the Working Party on the revised governance arrangements in so far as it affects this Committee.

Main Report

Background

1. The Court has agreed that a Working Party should be established to undertake a post-implementation review of the revised governance arrangements agreed in March 2011 after twelve months of their operation, to take stock of the new governance arrangements and how they are working.
2. For the purposes of clarification, this review is not, therefore, in relation to any new governance initiatives but is restricted to considering the operation and effectiveness of the revised arrangements implemented last year. A summary of the revised governance arrangements is contained Appendix A.

Views on the Governance Arrangements

3. The Working Party has agreed that the most effective and inclusive way of identifying whether there are any issues arising out of the operation of the revised arrangements is to seek the views of the various City Corporation Committees and all Members of the Court individually. This will enable comments to be expressed in the context of the operation of the various Committees (including observations from non-City Corporation Members) and will also allow all Members to have their say individually and raise any points; all of which will help to inform the work of the Working Party.
4. The purpose of this report is to seek a view on whether any representations should be made to the Working Party on the revised governance arrangements in so far as they affect this Committee. All of the views expressed will be collated and submitted to a further meeting of the Working Party in September.
