Main Report

1. You receive monitoring visit reports at each of your meetings. These are in addition to the three substantial monitoring reports you receive annually. One of these, a report reflecting on the monitoring and evaluation of “Working with Londoners” grants was submitted to your September 2014 meeting whilst the most recent six-monthly statistical monitoring report was submitted to your March 2015 meeting. As highlighted in this meeting’s Chief Grants Officer’s progress report, there has been a delay with the six-monthly statistical report and it will be submitted to your January 2016 Committee.
2. The reports to this Committee are from visits to the Ascension Community Trust and Kingston Voluntary Action. The first award, relatively modest in size, supports work to tackle isolation amongst older people. The second is a larger grant and funds capacity-building by an infrastructure organisation working with frontline charities across six London boroughs.
