

## Appendix 1: National Conditions for the BCF

NHS England have set the following conditions which local areas will need to meet to access the funding:

- A requirement that the BCF is transferred into one or more pooled funds established under section 75 of the NHS Act 2006
- A requirement that Health and Wellbeing Boards jointly agree plans for how the money will be spent, with plans signed off by the relevant local authority and CCG
- A requirement that plans are approved by NHS England in consultation with the Department of Health and the Department of Communities and Local Government
- A requirement that a proportion of each area allocation will be subject to a new condition around NHS commissioned out-of-hospital services, which may include a wide range of services including social care.

<b>National Condition</b>	<b>How this is being met</b>
Plans to be jointly agreed between local CCGs and local authorities	This is agreed throughout development of the BCF plan
Maintain provision of social services	<p>A corporate City of London services review protected resources for Adult Social Care up to and including 2016/17.</p> <p>Greater integration between health and social care services will assist the City of London Corporation to deliver a range of options to those requiring support, including more personalised budgets with a health focus.</p> <p>The City of London Corporation has appointed an Integration Programme Manager to oversee the development of integration strategies and schemes in order to free up staff on the frontline to continue to provide high quality services.</p> <p>Care navigators also play an important role in linking up services which frees up social workers' time.</p>
Agreement for the delivery of 7-day services across health and social care to prevent unnecessary non-elective (physical and mental health) admissions to acute settings and to facilitate transfer to alternative care settings and to facilitate transfer to alternative care settings where clinically appropriate	<p>The City of London has a reablement plus service, to be supported through the BCF, to facilitate safe hospital discharge for City residents at weekends and on Bank Holidays.</p> <p>There is also an out of hours social care service provided to City residents by the</p>

	London Borough of Hackney.
Better data sharing between health and social care, based on the NHS number	<p>The City of London is part of the IT Enabler Project which is funded by City and Hackney CCG and aims to link up IT systems across health and social care.</p> <p>Work is underway to ensure that all our social care cases have the NHS identifier number included</p>
Ensure a joint approach to assessments and care planning and ensure that, where funding is used for integrated packages of care, there will be an accountable professional	Work is underway to further develop activity in this area
Agreement on the consequential impact of the changes on providers that are predicted to be substantially affected by the plans	Providers will agree this
Agreement to invest in NHS commissioned out-of-hospital services, which may include a wide range of services including social care	This is reflected in the BCF scheme profile
Agreement on a local action plan to reduce delayed transfers of care.	This is in development
