<b>Subject:</b> Central Criminal Court Business Plan 2016-19	<b>Public</b>
<b>Report of:</b> Secondary of London	<b>For Decision</b>

### Summary

1. This report seeks approval for the Central Criminal Court's Business Plan 2016-19.
2. The department's primary aim is to provide the Courts for sitting as proscribed by the Courts Act 1971 and during the past year has provided this service with no loss of court sitting days.
3. The profile of cases has increased to predominantly Class 1 trials and this profile is set to continue, combined with a higher occupation of courts and increased sitting times.
4. A number of reviews have taken place, particularly a thorough security review which has been addressed effectively with the assistance of the City of London Police. A number of further reviews are planned for 2016 focusing on the benchmarking of Facilities Management and Administration Services and establishing service level standards with the Courts Service.
5. The Major Works Programme continues with the main new boiler room infrastructure works nearing completion. Work is now progressing on the lifts replacement, four of which are due for completion by the end of August. Communication continues to work well and there has been minimal noise intrusion and no impact on events or court sitting times.
6. The department has continued to expand its wider educational and outreach roles with some 71 visits having taken place in the past year. There has been a significant increase in daytime visits from schools, universities and judicial-related initiatives with a particular emphasis on diversity and inclusion.
7. The Sheriffs have also expanded the target audience for lunches and a number of "themed" lunches have taken place specifically focusing on certain target audiences, promoting the rule and significance of law in successful commerce and to promote the close relationship with the Judiciary and the Corporation of London's responsibility for the Central Criminal Court.

**Business Plan Central Criminal Court**

**2016-2019**

## **Introduction**

The Central Criminal Court is an autonomous division of the Town Clerk's Department which remains responsible for the operational management of the building and is bound by the Courts Act 1971, Section 29 which requires it to ensure the 18 courts are available for sitting. It also administers and supports the two Sheriffs who reside and work from the Central Criminal Court and provides limited clerical support to the two senior resident Judges. The division reports through the Deputy Town Clerk to the Corporate Asset Sub Committee.

## **Background**

The Central Criminal Court is the premier criminal Crown Court dealing with some of the most serious crimes in London and the South East. It is also the Appeal Court for the Cities of London and Westminster Magistrates Bench.

A large number of organisations work within the Bailey aside from the City of London staff and Her Majesty's Courts and Tribunal Service (HMCTS), these include Treasury Council, Crown Prosecution Service, City of London Police, the Probation Service, Witness and Victim Support Services, a resident Press contingent, the Prison Service and Prisoner Handling Unit (SERCO and GEO), caterers (Aramark) and a specialist Mental Health unit. In addition, there are a large number of visiting counsel, jurors, witnesses and members of the public, the latter being restricted to the Public Gallery parts of the building.

In addition to delivering its core aim, a substantial amount of activity is devoted to educational aspects of the Judicial system and the promotion of the City of London's historic connection with the building itself. Consequently there are frequent visits from the foreign Judiciary, such as Judges from overseas, participation on the Middle Temple Advocacy programme to educate law pupils, Mock Trials for the Inns of Court and South East regional Universities, evening tours from interested bodies such as the Livery, Fine Art and Historical Associations, schools and others.

Occasionally special events are held with a particular legal focus or for charity such as a Fashion Show or a choral evening, but these are a challenge in not affecting the running of courts in any way. The department is represented at the Corporate Events Management Group, but does not have an events team of its own. It aims to develop as part of the Service Area Reviews, suitable opportunities where the building might be used to promote the Corporation of London and potentially develop income streams. In addition the department has been participating in the development of the future Corporation cleaning contract, particularly in establishing effective Key Performance Indicators.

The Sheriffs, who both reside in the Bailey, invite approximately 600 guests for lunch during their year in office. These encompass a wide variety of professions, including business, the diplomatic community, charity, the Livery and the Arts and now schools. A new development has been the introduction of themed lunches where guests all have a particular subject in common, eg Press, Education, The Arts, prisoner welfare. All of these occasions aim to complement and promote the wide influence and connections of the City of London Corporation as a whole as well as its connection with the Judiciary and the City Corporation's ownership of the Bailey. The department is responsible for the provision of their diary, transport and secretarial arrangements.

## **Communication and Consultation**

Representatives of the Chamberlain, City Surveyor's and Public Relations Departments have been consulted during the completion of the business plan.

## **Operational Costs**

The operational costs are governed by the Schedule of Responsibility agreed with the then Lord Chancellors Department, (LCD), in November 1992. In very broad terms, the City of London Corporation is responsible for maintenance, whereas the Ministry of Justice, (MoJ), is responsible for improvement, with general running costs being shared in agreed proportions laid out in the agreement. Costs are split over two Funds, with City's Cash being used for Shrieval requirements and ceremonial (including the Secondary's office), with City Fund used for operational costs and all other staff. The City Fund element is split on a series of cost ratios (mainly 95% HMCTS, 5% CoL) for staffing costs and other expenses as stipulated by an agreed formula with HMCTS. The catering services are contracted out by the City of London to Aramark until 1<sup>st</sup> September 2016.

## **Human Resources**

The division employs 93.14 (FTE) staff, with the majority being directly employed in court service areas of work, mainly security, cleaning and maintenance (A departmental organisational chart is contained in Annex C to this report).

## **Financial**

In accordance with standing order 55, it is confirmed that we have viewed the property assets used as the Central Criminal Court and concluded that they remain adequate for the needs of the service.

The departmental financial statements for the City Fund and City's Cash can be found in the Budget Book and are available on request.

## **Risk**

The departmental Risk Register for the department is contained in Annex B of this report.

## **Scope**

This business plan covers the main financial area of commitment, i.e. Finance Committee expenditure on the City Fund and City's Cash. It does not cover the Court Service's or judicial areas of responsibility. It has focused on expenditure incurred by the department in relation to its primary objective of provision of service.

## **Reporting Arrangements**
