

## “You Said; We Did” - Action List – May 2016

### Actions from February 2016 RCC & other outstanding issues (updates appear in italics)

Issue	Source	Officer	Action Escalation
<b>Barbican Area CCTV</b>			
Update from Officers in Street Scene, Strategy & Safer City Partnership: <ul style="list-style-type: none"> <li><i>The current position is that the project is on hold for the time being whilst a Privacy Impact Assessment (PIA) is carried out and until this is complete we cannot move forward. When the PIA is completed an update will be provided.</i></li> </ul>	Sept 2015 RCC		
<b>Beech Gardens Fountain</b>			
<i>Following a survey with local resident representatives timings of the fountain have been agreed and this is now operational.</i>	May 2015 RCC	Helen Davinson	Completed
<i>Fountain – the excessive white foam issues from the fountain have now been resolved</i>	February 2016 RCC		Completed
<b>Short-term holiday lets</b>			
<i>The March bulletin to residents and the April quarterly letter to leaseholders provided an update on short-term holiday lets. The BEO continue to follow up on leads from the Estate Concierge and residents with the appropriate stage 2/3 letters to leaseholders regarding breaches to the lease.</i>	Ongoing updates	Michael Bennett	
<b>Frobisher Crescent Lift Performance KPIs and Relationship with the Barbican Centre</b>			
<i>A Lift in Service report is being prepared by City Surveyors for the Barbican Centre for the period January to March 2016 for the specific lifts related to Frobisher Crescent. This will be forwarded to the House Group when received. It is anticipated that this will form the basis for future KPI reporting.</i>	Nov 2015 RCC	Helen Davinson	
<i>The RCC representative for Frobisher Crescent was invited to the SLA Working Party meeting in April to discuss how to improve communication with the Barbican Centre. Officers are progressing this with members of the relevant committee.</i>	February 2016 RCC	Michael Bennett	
<b>Electric Vehicle Charging</b>			
The possibility of providing charging points for electric vehicles in the car parks is being progressed as a City Project led by the Department of the Built Environment in conjunction with City Procurement – <i>we are awaiting an update as to the current position.</i>	Dec 2015 BRC	Barry Ashton
