

Committee(s)	Dated:
Education Board	15 September 2016
Subject: School Partnership events and governor training dates	Public
Report of: Director of Community and Children's Services	For Information

Summary

This report provides Members with an overview of forthcoming events that they may wish to note for their diaries. Invitations for each event will be circulated in due course.

Recommendation(s)

Members are asked to: note the report.

Main Report

Background

1. This report provides Members with an overview of forthcoming events that they may wish to note for their diaries. Invitations for each event will be circulated in due course.

Current Position

2. In the Autumn Term and first half of the Spring Term a number of activities will take place that Members may wish to attend. A full list of the events is provided below.

Partnership events for the City schools

3. The following events are taking place where Members will have the opportunity to see the outcomes of partnership activity between the City schools:
 - 29 November – Prefects' Dinner, in the Livery Hall
 - 05 October 2016 – Quit Rents Ceremony, at the Royal Courts of Justice
 - 30 January 2017 – City Schools' Concert at Milton Court

Governor Training

4. As in previous years the Education Unit will run a programme of governor training sessions which are offered as an additional resource for governors to draw upon in order to meet their training needs.
 - 13 October 2016, 8.30 a.m. – Governor Statutory Updates, Committee Room 1
 - 31 January 2017, 5:30 p.m. – Safeguarding Training, Committee Room 1
 - 01 February 2017, 8 a.m. – Safeguarding Training, Rooms 1 & 2, Ground Floor North Wing, Guildhall
5. Governors can of course also attend training provided by their governing body/school or complete e-learning modules from approved providers. Governors from the City of London schools can access e-learning modules at: www.moderngovernor.com where governors can self-enrol using their own email address. During the registration process they will be able to pick 'the City of London' from the list of 'regions', which will then give them the opportunity to select their school.
